Dear Members of the Loyola College Community,

The last fortnight has been busy with examinations and the preparation of Semester 1 reports. In this final newsletter for the term we share a number of important events and notices.

Upcoming Events
The next few days will see a number of events taking place to finish the term’s activities. These will include the Winter Concert and the two Presentation Balls for Year 11 students this coming weekend.

East Timor Immersion
Two senior students Ashton Foster (12 XJBI) and Lauren Gedye (12 KMLE) will be involved in the Jesuit Immersion to East Timor at the end of this term. The students will be accompanied by Ms Hussey and Mrs Murray. As always I anticipate that this will be a wonderful opportunity that will celebrate the culmination of much hard work and effort by staff, parents and students who have put in many hours of preparation and organisation. I look forward to hearing of their experiences on their return.

Italian Sister School Visitors
Our visitors from our sister school, the IPSSAR Maffioli leave us next week and return to Italy concluding their four week stay at Loyola College. At a special dinner on Wednesday 10 June they were presented with certificates acknowledging their participation in the Loyola Vocational Exchange Program in Hospitality. I take this opportunity to thank Mr Roberts, our Intercultural Perspectives Coordinator, for all his hard work and planning in overseeing the organisation of this program at the College. I also thank the many staff, students and families who contributed to its success.

Staffing Matters
At the end of this term we farewell Mrs Gilmour who has resigned to take up a position at Catholic Education Melbourne. We also farewell Mr Spetebroodt, our French Language Assistant, who concludes his time with us and will be returning to France. We thank these staff for their contribution to the College and wish them well for the future.

Condolences
We express our sincere condolences to staff members Mrs Darmos, on the recent death of her father and Mrs Francavilla on the recent death of her mother. Please keep them and their family in your prayers at this difficult time.

As the holidays approach I take this opportunity of thanking all who have contributed to the success of another exciting term and I wish all who are able to take a break a happy and safe holiday period. I look forward to welcoming all back in July to Founder’s Term.

Year 12 Students Break Loyola College’s Winter Sleep-Out Record

This year’s Loyola Year 12 Winter Sleep Out was the best supported ever. Over 50 students participated directly with most of the remaining cohort sponsoring one of the sleepers. The purpose of the sleep-out is to raise awareness of homelessness in Melbourne.

The night started with a visit to Ozanam House, a crisis accommodation centre run by the Saint Vincent de Paul Society. This centre was originally established in 1953 as a North Melbourne night shelter. Men would check in each evening, be allocated a room, given an evening meal and breakfast and then fend for themselves for the rest of the day. A check of the records revealed that for some men Ozanam House had been their principal residence for up to thirty years.

In the mid-nineties this model changed. Now the residents live there for up to three months are allocated a case-worker and have access to many other support services to assist them in gaining a better lifestyle.

The kitchens at Ozanam House provide up to 2,500 meals a week including support for a nearby day centre. Ozanam House has a library, computer room, organises fortnightly excursions, a strong volunteer program and over 200 specialist drug, alcohol, mental health, housing and counselling services. Mr Ian Gartian, a team leader at Ozanam House, spoke to our students about the issue of homelessness and accepted the 70 or so sponsorship bags containing winter clothing, food, mens’ toiletries and money.

Next stop was the soup van kitchen in North Melbourne where food is prepared for the 365 day a year nightly runs. Br Doug Walsh, the volunteer co-ordinator of these soup vans, demonstrated how they operate and told the students many anecdotes about the difference the work of the volunteers make to the lives of some of Melbourne’s most vulnerable people.

One myth that was busted on the night was the stereotype of the old homeless alcoholic making up the majority of the homeless. Most are under thirty, both male and female and from a diverse range of ethnic and socio-economic backgrounds. They are on the streets for a range of reasons including unemployment, family breakdown, mental health and other health issues, drug and alcohol dependency and in many cases, just unfortunate circumstances.

Lentil as Anything

The students then gathered for dinner at Lentil as Anything in Abbotsford. This is a vegetarian restaurant where there are no prices and people are invited to pay what they can afford or what they think the meal is worth.

This bountiful philosophy not only provides healthy fare to those in need, but it also brings together an eclectic mix of people to share food, music and conversation. Our Loyola students certainly enjoyed the experience.

At the end of the evening the students returned to Loyola, reflected on the day’s events and slept out overnight to help them understand the plight of Melbourne’s homeless. This activity will be run again on Friday 7 August. It is open to students in Year 11 who are asked to see Mr Lynch for further details.

My thanks to all those students, staff and families who sponsored the Year 12 students and Ms Louise Crowe, Ms Lia Ray, Ms Jacinta Sheehan, Mr Mark Leary, Mr Michael Gowan, Mrs Judith Muir, Mr Justin Abbott and Mrs Vanda Tolli who all assisted in the sleep-out.

Year 12 Reflection Day

On Friday 12 June our Year 12 students participated in a Reflection Day focused on Looking to the Future conducted by Loyola staff and Fr Nicholas Pearce from the Catholic Vocations Office.

The day was scheduled at the start of their final semester to provide an opportunity for the students to take stock of the year, assess their current situation and identify factors and behaviour patterns that have helped or hindered their progress.

Preliminary sessions prior to the Reflection Day focused the students thinking about the type of person they would like to be through a reflection on their core values and how they live these. Fr Nicholas spoke about his recent Walking the Camino experience and presented his top 10 learnings from this. The Year 12 June Reflection Day follows on from the 3-day March Retreat. Hence students had the opportunity to reconnect with their retreat groups, discuss issues that are important to them and participate in a companion walk.

After lunch the students participated in an hour of recreational activities and then finished the day with Mass celebrated by Fr Gerry Healy SJ, one of our College Chaplains. Fr Gerry also celebrated Mass for the Year 12 students at the commencement of their March Retreat. The theme of the Mass was the Good Samaritan and Fr. Gerry challenged the students to think about those who need support in our College community.

My thanks to the Year 12 Religious Education teachers, Ms Lia Ray, Mr Sal Valentino, Mr Sean Simpson, Mrs Christine Gilmour, Mrs Judy Boyle, Mr Victor Dalla–Vecchia, and Mrs Gloria Agapay. My thanks also go to Fr Gerry Healy SJ, Fr Nicholas Pearce, Ms Louise Crowe, Mrs Suzanne Pola, Ms Larissa McKay, Mrs Joanne Pritchard, Mr Ben Taylor–Egan and Ms Maria Tiberi for their work on and prior to the day.

The 2015 Australian Catholic Youth Festival will be held in Adelaide, welcoming 4000 thousand young people from around the country. The theme is 

Blessed are the pure in heart, for they shall see God.

The Festival, established and coordinated by the Australian Catholic Bishops Conference, will allow the participants to experience the journey of St Mary Mackillop in her home at Mary Mackillop Centre and St. Joseph’s Convent, the first home the saint established for her order. The festival engages young people in fantastic and unique encounters and celebrations through concerts, workshops, social events, forums and much more. The 2015 event will be the second event; the first was held here in Melbourne and drew more than 3400 people aged 14~25. Bishop Anthony Fisher of Parramatta stated: It is fantastic that we are able to hold the next Festival in Adelaide in 2015 and I invite all young people, their teachers and youth ministers from around Australia to make the pilgrimage to Adelaide. It will provide opportunities for many young people to deepen their relationship with Jesus, be empowered to be disciples in the world today and encounter the vitality of the Church in Australia. Students in Years 9~12 may contact Sr. Nelia on 94330265 or lllanto@loyola.vic.edu.au for more information.

2014 Annual Report to the Community

Since 2008, both the Australian and Victorian Governments have articulated specific areas of school life about which educational institutions are required to report to the community. In light of these requirements, and with a commitment to providing information on important College statistics, the 2014 Loyola College Annual Report provides a wonderful snapshot of all that Loyola College has to offer. The 2014 Loyola College Annual Report is presented under a number of headings including College Profile, Professional Engagement and Key Student Outcomes as well as providing details of the College’s financial performance for the 2014 academic year and a statement of probity by the Principal Mr Joseph Favrin.

An electronic version of this report is available on the College website www.loyola.vic.edu.au and the Victorian Registration and Qualifications Authority (VRQA) website. In addition a hardcopy will be forwarded to all Loyola families accompanying the Semester 1 2015 academic reports or in a forthcoming mail out to our 2016 Year 7 families. There is a great deal of good news in our 2014 Annual Report and Loyola College continues to be proud of all it achieves in all aspects of our students’ development in association with our families and staff members.

Loyola College Prepares to Celebrate its 7th Annual Grandparents’ Mass and Morning Tea

On Sunday 26 July, the Church celebrates the feast day of Jesus’ grandparents, Saints Anne and Joachim. This special family celebration has provided an opportunity at Loyola College to celebrate the integral role that grandparents play in the role of our students. Grandparents continue to undertake a variety of roles in Loyola families including supporting their children in the care of their grandchildren and sharing stories which contain family history and wisdom.

This year Loyola College will hold its Annual Grandparents’ Mass and Morning Tea on Friday 24 July. All grandparents are invited to gather at the College in the Old Loyola College Reception with their Loyola grandchildren for Mass at the St Ignatius Chapel at 9.45am. The College is pleased to have again invited Monsignor Greg Bennet, Vicar General in the Archdiocese of Melbourne to celebrate Mass for us. At the conclusion of the Eucharist, grandparents and grandchildren will gather in the Functions Room to enjoy refreshments and share stories.

This event is always a highlight of the College year for the wonderful sense of pride on display and happy faces of all participants. Each year we look forward to this event as an annual celebration of family which is integral to who we are and what we become. An invitation for this wonderful family event is in this edition of the Ignatian. As there are limited places, Loyola families are asked to quickly secure their free ticket to this event.

Our final family celebration for the 2015 school year is the Father and Daughter Breakfast which will take place on Thursday 3 September with places advertised in the Ignatian early in Term 3.

St Ignatius Day ~ Celebrating our Catholic Identity and Ignatian Charism

In preparation for our forthcoming celebration of St. Ignatius Day on Friday 31 July ~ the actual Feast Day of St Ignatius ~ all parents and guardians will in the first week of next term receive details of our day’s celebrations including a permission form and Walkathon Sponsorship form. Planning is well underway for our day of celebration with the formation of a Student Planning Committee which I have had the privilege to chair consisting of representatives from the Year 12 VCAL Class ~ Julian Cannizzaro (12 MDHT) and Lachlan Gaff (12 XLMC) ~ the Year 11 VCAL Class ~ Brendan Lawlar (11 CTFO) and Zack McInnes (11 CAJM)~ the Loyola Student Council ~ Lara Cannizzaro (9 MMCB) and Alexia Tomasello (7 XMGA) ~ and the College Committee ~ College Captains Lachlan McPhee (12 MKMS) and Brittany Gerlich (12 KMLE) as well as Erin Fischmann (12 ALEH) and Joshua Hill (12 ASJM). The Committee has been supported by VCAL Co-ordinator Mrs Elly Keating, Deputy Principal (Students) Mrs Anna Salmic
Whilst the day is our premier day of celebration honouring our Patron Saint, Ignatius of Loyola, it is also an opportunity for students and their families to generously support the poor, disadvantaged and the marginalised in our local and wider community. The 2015 St Ignatius Day Theme is the BIG 35 paying homage to our 35th Anniversary Year the College will use the day to reflect on the example of Jesus and St Ignatius to live out our Gospel values to be of service to those who are less fortunate than ourselves. As in 2014 all Houses have engaged in a number of Market Days as a shared fundraising activity where all monies raised will be distributed equally to all six House Charities. In Term 3 the focus of the fundraising will become the College Walkathon where each House will focus on its own House Charity. All monies raised for each of the six House Charities will be formally presented at our College Assembly on Tuesday 15 September.

Our six Houses have been encouraged to invite representatives of their House Charities to highlight their work to allow our students to learn how goods collected and the funds raised at the College Walkathon would be used in the care of others. I am very grateful for the efforts of the Heads of House, House staff members, House Captains and their House Committees who have made valuable links with the various House Charities. It is also important that our families, who are being asked to support their children’s involvement in the 2015 St. Ignatius Day Walkathon, are aware of the work undertaken by our House Charities.

The Caroline Chisholm Society, supported by Chisholm House, continues the work of Caroline Chisholm by providing free and confidential help to expectant mothers & families with at least one child under primary school age. At the Caroline Chisholm Society, mothers and families are offered the opportunity to be heard in a peaceful and supportive environment in an effort to provide assistance and professional advice. In 2014, Chisholm House raised $5,419.37 in support of the work of Caroline Chisholm Society. Further details about the Caroline Chisholm Society can be found at www.carolinechisholmsociety.com.au.

In supporting the St. Vincent de Paul Diamond Creek Conference, Flynn House has focused its efforts on those in need in our local community. The St. Vincent de Paul Society continues the work of Blessed Frederic Ozanam gathering Catholic lay men and women who aspire to live the Gospel message by serving Christ in the poor with love, respect, justice, hope and joy, and work to shape a more just and compassionate society. In 2014, Flynn House raised $5,175.37 in support of the work of the St. Vincent de Paul Society in the Sacred Heart Diamond Creek Parish which sponsors Flynn House. Further details on the work of the St. Vincent de Paul Society is available at www.vinnies.org.au.

For over a decade Mannix House has been generous supporters of the Brosnan Youth Services which is an agency of Jesuit Social Services. The Brosnan Centre, named in honour of prison chaplain Fr John Brosnan, continues the work of St. Ignatius of Loyola by offering holistic support for young people exiting adult prisons or youth justice centres, which are assessed as high risk or need, with limited social and family networks, accommodation and post-release support options and experiencing multiple and complex health problems. The Brosnan Centre delivers quality programs in a manner that reflects the social justice principles of participation, equity, access and respect which include intensive outreach support, case management, supported accommodation, drug and alcohol counselling, recreation programs, employment and training programs. In 2014, Mannix House raised $6,106.47 in support of the work of the Brosnan Centre. Further details on the work of the Brosnan Centre is available at www.jss.org.au.

TikaPeru continues the work of Catherine McAuley, the founder of the Sisters of Mercy, through its work in an international setting. Tikaperu seeks to increase opportunities for women’s employment which in turn reduces poverty and offers practical help including a source of clean water, better health, education, child-minding and medical facilities. Tikaperu is based in Cerro Candela, Tres de Mayo and tex–Hacienda in the northern zone of Lima where the people are very poor and
there are no paved roads, no running water or sewerage and very high levels of unemployment. Funding for Tikaperu comes from generous Australian donors such as McAuley House and through sales of handicrafts and knitted products created at Tika Fashion Workshop which was established in 2006. In 2014, McAuley House raised $6,385.77 in support of their House Charity. Further details on the work of Tikaperu is available at www.tikaperu.org.

Xavier House, which is named after St Francis Xavier who spread the Gospel message as a missionary in Asia, supports the work of today’s Jesuits and its co-workers in the developing world through Jesuit Mission. As a Jesuit organisation Jesuit Mission continues the work of St. Ignatius of Loyola by aiming to contribute to the building of human communities of freedom & dignity, by promoting work for poverty alleviation & the ongoing development of the Society of Jesus. Through its work abroad, Jesuit Mission seeks to alleviate poverty and support the ongoing work of the Jesuits in the most poorest of villages. A recent focus of Jesuit Mission has been the establishment of the new Jesuit school in Timor Leste called Colégio de Santo Inácio de Loiola. In 2014, Xavier House raised $4,575.82 in support of the work of Jesuit Mission. Further details on the work of Jesuit Mission is available at www.jesuitmission.org.au.

Staff leadership was greatly enhanced in 2000 with the introduction of House Co-Ordinators: Chisholm ~ Mr Michael Stinziani; Flynn ~ Mrs Lynn Falzon; MacKillop ~ Mrs Katrina Mock; Mannix ~ Ms Karen Morris; McAuley ~ Sr Patricia McAuley RSM and Xavier ~ Mrs Carmel Delzoppo. In order to address the student needs at individual age groups, the following Co-Ordinators were appointed to Transition (Year 7) ~ Mrs Jacinta Power; Middle Years (Years 8 ~10) ~ Mr Tony Chirico and VCE (Years 11~12) ~ Mrs Barbara Jarzebowski. Mrs Alison Leutchford was appointed Deputy Principal ~ Students and Mr Paul Ryan was appointed Deputy Principal ~ Staff.

2000 ~ Twenty years of Loyola College
In its 20th year, Loyola College continued to be a very busy place, with new innovations as well as major celebrations of achievement and success as a secondary college.

Two major events commemorated the 20th Anniversary of Loyola College during 2000. The first of these was a whole school Mass at St Patrick’s Cathedral in March. Students travelled by train into the City and Mass was celebrated by Archbishops George Pell and Frank Little, together with priests from Loyola College’s member Parishes. The second major celebration event was the 20th Anniversary Ball which was held at Plenty Ranges Arts and Convention Centre on Saturday 7 October.

The final stage of the implementation of the vertical House structure was completed in 2000. The main focus for the introduction of the vertical system was for the pastoral care of Loyola College students. With a mentor teacher assigned to each group, students would have a first point of contact for guidance and assistance. The second reason for the initiation of the structure was to enhance the co-curriculum activities at the College. The celebration of House Masses followed by morning tea within parishes took place for the first time during the later part of the year in an effort to develop closer relationships between the Houses and their associated parishes.

Year 8 to 11 Examinations
Students will receive their Semester One examination papers next week. Parents and guardians are asked to go over the paper with their child and discuss their areas of strength and areas for improvement in Semester Two. Students will also be asked to complete a self-reflection sheet about their examinations during their next Academic Companions session.

Year 10 and 11 Examination Resits
As previously published in the Ignatian, any Year 10 or 11 student who achieves below 50% on any examination will be required to resit that examination. These resits will take place on July 8, 9 and 10. Parents and guardians will receive a letter outlining the details if their child is required to resit any of the examinations. However, students will also be aware of their need for a resit when they receive their examination results. All oral or performance resits will take place on Friday 26 June (student free day) as the subject teacher needs to...

**Camps, Sports and Excursions Fund (CSEF)**
The Camps, Sports and Excursions Fund (CSEF) is a new initiative provided by the Victorian Government to lower income families. It will be run over 4 years and provide payments for eligible students to attend camps, sports and excursions.

Families with a child under 17 who hold a valid Health Care Card, Pension Card or are a temporary foster parent as at the first day of Term 3 may be eligible to receive the CSEF. Parents who receive a Carers Allowance on behalf of a child or any other benefit or allowance not income tested by Centrelink, are not eligible for the CSEF unless they also hold a valid Health Care Card, Pension Card or are a temporary foster parent. The amount payable for secondary school students is $225.00. This will be paid to Loyola College for all eligible parents and will be applied against the Global Fee on the Fee Account which incorporates all camp and excursion costs.

Application forms should be completed and lodged with the College before the end of Term 3 as payments are made during Term 3. Application forms are available on www.loyola.vic.edu.au/information/csef_application_form on the College website or at the College Reception. **Fishes Are Swimming Strongly At Loyola College**
On Wednesday 5 June a team of dedicated and enthusiastic Year 10 students from the 2014 High Resolves Program and staff came together at the flag poles to cook up a storm with 350 delicious chicken sausages and drinks to raise funds to install a fish tank in the B Block science corridor. The fish tank initiative arose from the work of students in the 2014 High Resolves Team to raise awareness of aquatic life in Science classes and to provide a relaxing and enjoyable learning space for students and staff members. The June BBQ was the second of our fundraising activities complementing the money raised in March to allow us to meet our goal of raising $1000 towards the cost of the fish tank. A highlight of these fundraising activities has been the great spirit and hands-on participation of our students to make this initiative a reality.

The College is very grateful for the wonderful support of the Principal Mr Favrin who has supported this exciting initiative contributing $2.00 for every $1.00 raised by the team. We are also very grateful for the generous support of Mr Mark Grocock, father of Steven (10 MMCB) who contributed 350 sausages towards these fund raising activities. Please support Mr Grocock for his wonderful generosity by visiting his stall at the Prahran Market.

FROM HEAD OF PERFORMING ARTS

Mr Jeremy Ives
Direct Line 9433 0707

Semester one has certainly been a busy time in the Performing Arts Department. We have had such exciting events as the College Play *A Midsummer Night’s Dream*, the College Musical *Grease*, the Autumn Sounds Music Evening and Band Camp.

Within the classroom the Year 7 students have been fortunate enough to engage in Commedia Dell’Arte workshops and in Dance participate in an African dance incursion.

The Year 10 and 11 Drama students have both performed their ensemble pieces of work they had created in class to an audience of family and friends and the Year 12 students performed a pathos-driven performance honouring the centenary of Gallipoli in the week of Anzac Day. This was a fitting and beautiful tribute to an important time in history.

As part of Performing Arts Week, It was wonderful to have our VCE Dance students perform their solo and group compositions as well as the Year 10 Theatre Studies Class perform their pieces of *Mr and Mrs Twit* and *Romeo & Juliet*.

Many more exciting events are coming up with the Winter Concert celebrating the Music program here at the College this week and next term we have the inaugural Junior Concert for budding performing artists in Years 7 and 8.

I would like to take the opportunity to thank all of the students and staff members who have been involved in the wonderful events we have had thus far for their time, dedication, passion and talent.

Online Searching ~ Tips & Tricks

Online searching brings with it the joy of finding just what you need, to finding ~ as I am sure everyone has experienced ~ absolute garbage and random results. It is a shame to say that much of this garbage is content that has been uploaded by people who just aren’t aware of what the longer term ramifications of their online actions can lead to.

So, this said, we draw to the attention of students, parents and guardians this very informative poster following this article which now also features in the 2015 Loyola College Student Planner on Page 31.

Produced by Common Sense Media it highlights, in a quirky flowchart format, the potential outcomes of decisions that are made about posting photographs of friends online, into social media sites, and the like. It highlights self reflect before self reveal.

Taking photographs is great fun as is online searching but it is imperative that everyone is aware of how to behave and be sensible digital citizens in order for online activities to be positive, achieve desired outcomes and not contribute to the virtual garbage.

Year 9 students should read *The Chocolate War* by Robert Cormier, with Enhanced Year 9 students reading *Of Mice and Men* by John Steinbeck.

Year 10 English A students should be reading *The Book Thief* by Markus Zusac and Year 10 English B students should be reading *The Crucible* by Arthur Miller. Year 10 Literature students have several texts to read including John Green’s *A Fault in Our Stars*, *The Great Gatsby* by F. Scott Fitzgerald and *A True History of the Kelly Gang* by Peter Carey.

Unit 2 English students will be studying the play by Regéndal Rose, *Twelve Angry Men* and Alice Pung’s collection of short stories *Growing Up Asian in Australia*. Unit 2 Literature students should read and view the novel and film version of *Atonement*, and read Hannie Rayson’s play *Two Brothers*.

Unit 4 English and Literature students should be rereading all of their examinable texts during the July break. Examiners recommend students have a strong understanding of their texts which can only be achieved by three or more readings: summer break, while being studied, July holidays and during revision.

Enjoy snuggling up on the couch with a good book over the winter break!

FROM LEARNING RESOURCES

With the beginning of Semester Two, students and parents are reminded about the importance of reading their class texts novels, plays and short stories before the topics are taught in English lessons. This facilitates a greater understanding of the bigger picture of the text when it is discussed in class and enables students to offer their own ideas about the characters and themes with more confidence. We recommend students read their Semester Two texts over the July holidays. Other strategies families might try include downloading audiobook version to compliment reading, and viewing synopses and films to supplement not replace reading comprehension.

Year 8 students are to read Andy Mulligan’s *Trash*; Year 8 Enhanced should be reading JRR Tolkien’s *The Hobbit*.
I TOOK A PHOTO OF MY FRIEND THAT I WANT TO SHARE...NOW WHAT?

1. IS IT A GOOD PHOTO? YES NO
   Be proud of the photos that you share with others! Only show people the best of the best.

2. WOULD MY FRIEND AGREE? YES NO
   Play nice. You wouldn't want your friend to broadcast a bad photo of you, would you?

3. COULD IT GET MY FRIEND INTO TROUBLE?
   YES NO
   Don't post any photos that might come back to haunt you or your friends. You never know who will see them.

4. IS IT GOING TO CAUSE DRAMA?
   YES NO
   Then it's not worth posting. Really.

SO MY FRIEND IS OKAY WITH IT, BUT HOW MIGHT IT AFFECT ME?

5. AM I AWARE THAT ANYONE CAN SHARE IT?
   YES NO
   Well, it's true. Anything you post online can be saved, copied, and shared with a large invisible audience.

6. WOULD I BE OKAY WITH MY GRANDMA SEEING IT?
   YES NO
   If you think it will make your grandma blush, then there's a good chance somebody else will find it inappropriate, too.

7. A YEAR FROM NOW, WILL I FEEL GOOD ABOUT MAKING THIS PUBLIC?
   YES NO
   Hold off if you're having doubts. Your future self will thank you.

CONGRATULATIONS! YOU CLEARLY SELF-REFLECT BEFORE YOU SELF-REVEAL ONLINE, SO...

GO AHEAD! SHARE & ENJOY!

Nationally Consistent Collection of Data on School Students with Disability

Each year all schools across Australia are required to undertake the *Nationally Consistent Collection of Data* (NCCD) on students with a disability.

The data informs the Federal Government which then provides better support and resources to schools. This in turn provides assistance to students with a disability in government and non-government schools across Australia empowering them to complete school and go on to further education or find employment.

Inclusion in the Data Collection is voluntary. Parents and guardians who wish their child to be excluded from this data collection can choose to opt-out by informing the College in writing by Monday 20 July 2015.

For further information about the Data Collection, please contact the Principal or visit the Standing Council on School Education and Early Childhood (SCSEEC) website http://www.schooldisabilitydataapl.edu.au/.

**Loyola College Made History In 2015 Language Perfect World Competition**

Language Perfect is an educational tool to assist students learning new vocabularies in target languages. There are more than 1000 schools around the world, with more than 300,000 students using Language Perfect.

The Language Perfect World Championships is the largest online languages competition in the world. Students compete for their class, school and country against other students from around the world, by earning points in a range of foreign languages.

The 2015 Language Perfect World Championship was held between 18 ~ 28 May. During this period Loyola College students were participating in the competition according to their target language Italian, French and Indonesian. This year, Loyola College made history by achieving No.1 ranking for Indonesian Language, in the category of schools that have 1001~2500 students.

Twelve students received special certificates with 1 gold, 1 silver, 3 bronze and 7 credit certificates for their high score in the competition. We congratulate these students who will be formally presented with their certificates at the Term 2 College Assembly this week.

**Maffioli Visit 30 May ~ 30 June**

Last Wednesday evening members of staff who have been involved in the program for our visitors from the Maffioli Institute in Veneto Italy were treated to a sumptuous meal in Iggy’s Restaurant prepared solely by the six senior Hospitality students. Our Year 11 Hospitality class along with teachers Ms Fiona Chapman and Ms Elizabeth Gartland, provided excellent service at the tables all evening. The dinner marked the mid-point in this visit for the Italian students. They have been involved in a two-week program of classes in Hospitality and Food Technology here as well as tours in and around Melbourne.

During their visit they have been staying at International House during the week days and at Loyola students’ homes on the weekends. This gives them the chance to experience an authentic Australian way of life. I take this opportunity to thank our students for welcoming these guests into their homes. For the remaining two weeks they will be working in leading Melbourne restaurants Treviso, RACV Club, Hotel Swanston and Taxi Dining Room for a two-week professional placement. It is during this time that we expect to see them grow in their international kitchen skills, their level of English...
and their personal confidence. The students' names are: Edoardo Borso, Davide Pavan, Massimiliano Rigon, Agostino Ferraro, Filippo Moretto, and Riccardo Zandò. They were accompanied by their teacher Signor Alessandro Stulfa.

**Year 8 High Resolves Days 25, 28 and 29 May**

Last month all Year 8 students were involved in the first of the High Resolves for 2015. During this session students explored the origin of the human species, collective identity and divisive messages and how to eradicate them from communities. The content of the day reinforces the work students undertake in Religious Education, English and Humanities. Our students were challenged to reflect on the harm caused by prejudice and labelling people. In the true spirit of Ignatian education, they practiced becoming men and women for others regardless of who we are, where we come from or the views we hold. High Resolves at Year 8 is intended to improve intercultural understanding in our students. Each group of 2 to 3 Year 8 classes were led by Year 10 volunteer students. They are to be thanked for their dedication and leadership during the day.

The last Full School Assembly for this term was held on Thursday 4 June. After the assembled recited the Prayer of St. Ignatius together, the following items were presented:

- Mr. Favrin expressed his great pleasure in receiving a compliment from a local resident extolling her joy at witnessing the good behaviour of our students at the Greensborough Shopping Centre recently. He reminded students to stay focussed on their exams. Mr. Favrin also advised students of his impending overseas leave and that he will pray for the intentions of the College community especially when he takes part in the St. Ignatius Pilgrimage in Spain. Mr. Favrin also welcomed staff members, Miss Laura Popescu and Mrs. Temmy Thamrin.

- Mr. Roberts introduced visiting students and teacher from our Italian sister school IPSSAR Maffioli, Veneto Italy for the presentation of College Pins.

- A representative from the Loyola Young Vinnies presented a video of the recent fundraiser for the people of Nepal ~ waxing of teachers' legs activity.

- Mr. Keegan introduced the Coastal Ambassadors Program participants who shared their experiences from Phillip Island via a video presentation.

- An invitation was extended to all to support the Tank You Fundraising BBQ raising funds to buy a fish tank for the College.
The College Captains’ Address suggested that there is still much of Term 2 ahead but that it is a good time to reflect on what has been achieved so far, especially the many fundraising activities.

The Captains of Sport presented an overview of the ACS Carnival and encouraged students to participate in the House Cross Country next term. Ms Sheehan introduced the presentation of medallions and certificates to the ACS Athletics placgetters.

Loyola Student Council representatives announced the launch of the St. Ignatius Day Poster competition and the Talent Quest auditions being held next term.

**Castlereigh Place is a No Parking Zone**
An understandably upset local resident living to the west side of Loyola in the Castlereigh Estate would like the following brought to the attention of parents who park or double park in Castlereigh Place. This very tiny street was clearly not designed for traffic other than that involving cars belonging to those who live there. Residents trying to exit are frustrated to find cars blocking their driveways and view of oncoming traffic. Drivers looking to avoid the parking restrictions in Bungay Street should look further afield to the streets parallel to Bungay Street such as Princes Street and Nell Street West.

**Manresa Cottage on College Grounds**
Behind the Old Loyola building in the south western corner of the property, sits a quaint little cottage that we rent for 2 weeks to one month at a time. It is suitable for one person or a couple and has the following amenities:
- One double bedroom
- Self-contained kitchen and dining area
- Bathroom
- Lounge area with TV
- Laundry facilities available from International House on site

Rental charges are as per the following:
- $40 per person per night; $180 per week (7 nights)
- $40 per person per single night up to and including 6 nights.
- $250 for two people for one week (7 ~ 13 nights pro rata)
- $220 per week for two people for two or more weeks. (14 or more nights pro rata)

Accommodation in the Cottage is limited to 2 adults. Exception for children will be considered on a case-by-case basis. Please contact me via phone or email me lonsdalem@loyola.vic.edu.au.

**Parents of the Week**
Earlier this term Loyola welcomed 16 Year 8 students from our sister school in France, Saint Jean Baptiste de la Salle in Avignon for a 2 week visit. The Loyola families who acted as homestays looked after our guests very well and made them all feel most comfortable in what must have seemed very strange surroundings at first.

A sincere thank you is extended to the following families who were wonderful ambassadors for our College and country:
