Dear Members of the Loyola College community,

We are rapidly approaching the end of another school year. The VCE Examinations are progressing well and our students appear to be managing the heavy study load, many spending time with staff during the day to revise or hand in practice work to assist with their preparation. As I stated at the final full school assembly last week, the focus for all remaining year levels in the coming weeks should be revision and assessment with Year 10 and Year 11 examinations having commenced this week. I urge all students to remain on task to ensure that their end of semester report reflects their best possible efforts. In the meantime a number of interesting College events have taken place which I bring to your attention.

Year 7, 2016 Information Evening
On Thursday evening of last week we welcomed the families whose children will be attending Loyola in Year 7 next year. A very large number of parents and students attended this event which focussed on organisational matters that will assist these young people in their transition to Loyola. This is the second evening parents and students have attended as they prepare to join our Loyola community. Families heard from a number of speakers and then went into House groups to meet Heads of House and House parents. I thank all who contributed to the success of the evening.

Year 9 City Experience
This week our Year 9 students have been on their City Experience program. Such programs require a significant amount of organisation and I thank Mr Gowan, Student Program Coordinator Years 7~9, for overseeing the program. I thank the many staff who journeyed with the students in the three day program and I look forward to the student presentations on their return to Loyola next week.

Annual Memorial Mass
The annual Memorial Mass was held on Thursday evening of this week and was well attended. A memorial plaque honouring the memory of Mr Chirico was blessed near the Memorial Garden. In the Catholic tradition November is the month of All Souls when we remember our loved ones who have gone to their eternal rest. Our annual Memorial Mass allows us to pray for the loved ones of all staff, students, families and friends associated with Loyola College. I thank Fr Gerry Healy SJ for celebrating the Mass. The Mass was followed by supper in the College Function Room.
Visual Arts and Technology Exhibition
This event was held on Monday evening of this week in the Loyola Companions Hall. The high quality of student work was evident across a number of areas within the Arts and Technology faculties. It was again particularly pleasing to see the growth of the Fashion Parade with an increase in the number of garments being made by the students and more students involved in the modelling of the garments. The support of families in attendance was high and the pride of parents in their children’s work was most evident.

I thank Mrs Smith, Head of Visual Arts, and Mrs Thompson, Head of Design and Technology for overseeing the organisation of this event which is an enormous task in itself and I also thank all staff and students who contributed to its success.

Staffing Matters
We welcome Mrs Denise Chang-Faux to Loyola College in the position of Community Involvement and Development Officer and wish her well as she undertakes this role in the College.

Last week we farewelled Mr Graeme Hewett, our Maintenance Officer. We thank Graeme for his wonderful contribution to the College. We also farewell Mrs Verdon who commences maternity leave and wish her every happiness and continued good health as she awaits the arrival of twins.

Please keep in your prayers Mrs Agapay and her family on the passing of her brother in the Philippines last week.

As we reflect on the significance of November in our Catholic tradition we continue to pray for all our loved ones who have passed from this world that they may be at peace in the embrace of our loving Creator God. We ask our Blessed Mother, Mary to pray for us the living that when our time to leave this world comes that we too may join our loved ones in the presence and joy of the Living God.

We also pray for our students as they prepare for their final assessments in the coming weeks that they will strive for excellence in all that they do. May they be inspired by the example of our Patron Ignatius in seeking to give of their best for the greater glory of God.

Loyola Young Vinnies’ Christmas & Pyjama Appeal!

The act of giving says, I care for you. We all know the feeling of opening Christmas presents. However, at Christmas not everyone experiences this.

It is easy for us to get caught up in the preparations for Christmas ~ work and sporting club breakups, Kris Kringle groups, buying presents, planning the logistics of Christmas day with friends and family and for many, holidays associated with the break. It is so easy to forget those people in our society who are less fortunate than ourselves and for whom Christmas can be a time of added stress. This may be due financial hardship, abuse, homelessness or other social problems.

The St Vincent de Paul Group at Loyola College run an annual Christmas Appeal, where we ask each family to donate one children’s gift or pair of children’s pyjamas (used in a women’s refuge) that can be given to disadvantage families in our local community. All it will take is a little effort to bring some joy to these children.

Just follow these few simple steps:

- Purchase a gift that is suitable for a child age up to 12 years or a pair of children’s pyjamas
- Place gift or the pyjamas in the basket outside your Head of House’s office.

Please add a little hope, comfort and joy at this time by donating to our Christmas Appeal.
All members of the Loyola College Community are warmly invited to mark the commencement of the Advent Season with a festive evening of music at our Annual Christmas Carols at 7.45pm.

SUNDAY 29 NOVEMBER IN FRONT OF OLD LOYOLA

Be there to see the amazing Old Loyola light show, and the lighting of the Old Loyola Tower. Sing along to traditional & contemporary Christmas hymns and tunes performed by Loyola Voices and the combined Concert and Symphonic Bands.
On Thursday 12 November, Father Gerry Healy SJ celebrated the annual Memorial Mass in the St Ignatius Chapel. Prior to the Mass, Fr Gerry blessed the new statue of the Blessed Virgin Mary, which is in front of the Irish Martyrs’ Chapel, and a memorial plaque in honour of Mr Tony Chirico our beloved Deputy Principal who passed away on 7 August this year. This plaque will be placed in a re-designed memorial garden once construction of the new Performing Arts Centre is completed.

This week a pair of seats constructed by Mr Graeme Hewett and Mr Chris Doumbalis were installed overlooking the tennis courts. The cost of the seats was met by the Loyola Student Council and they bear an inscription that shows the respect Mr Chirico was held in by the students.

In the Catholic Church, November is the month where we pray for the dead. It starts with two important feasts, All Saints, 1 November and All Souls, 2 November. These feasts remind us that in our lives we are called to holiness and to live following the example of the saints and are also opportunities for us to remember our loved ones and pray for them and be comforted by Christ’s words from Matthew’s Gospel.

‘Come to me, all you who labour and are overburdened, and I will give you rest. Shoulder my yoke and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. Yes, my yoke is easy and my burden is light.’ Mt 11:28-30

Please pray for the repose of the souls of the deceased members of the Loyola family and peace for their families and friends.

We review our records regarding deceased Loyola ex-students or staff annually. If there are any inaccuracies or omissions in the lists below, I can be contacted via email, lynchc@loyola.vic.edu.au or voicemail 9433 0227 with any corrections or additions.

Accordingly Year 9 students are asked to bring a $5 donation or a gift to support the Loyola Vinnies Christmas present drive or a pair of children’s pyjamas. Their donation will be collected prior to the day to the day in their Religious Education Classes. Where: Pastorelle Sisters Convent  
5 Nash Court, Bundoora 3083

Welcome to all who wish to take the opportunity of preparing meaningfully and spiritually in pondering the joy of the gospel prior to Christmas. During advent season, we endeavour to put into concrete the opening prayer for the Mass of the First Sunday of Advent:  
Grant your faithful, we pray, almighty God, the resolve to run forth to meet your Christ with righteous deeds at his coming, so that, gathered at his right hand, they may be worthy to possess the heavenly kingdom.

Lunch with Mary: Wednesday 18 November ~ at the beginning of lunch at OL Marian Chapel  
All students are welcome to join the prayer of the Rosary to honour and request the intercession of Mary for guidance, calmness in the exams and hopefully this will result in a successful outcome.

Youth Deanery Cross  
The youth deanery cross is being hosted and welcomed by St Mary’s Parish. Thank you to the representatives of Loyola College Youth Ministry students who handed the Cross last Sunday 8 November at the 10.00am Community Mass. The Cross is a symbol of the unity of the Diamond Valley Deanery parishes initiated 7 years ago. The intention was for each parish and secondary school to host it for a number of months and for it be a reminder to the community to pray for our young people to become closer to Christ.

Statue of Our Lady of Montserrat  
If you wish to be visited by the statue of Our Lady of Montserrat please contact my office. The family has no obligation other than providing a welcoming heart of giving a home to the Our Lady statue for a week. In case you wish to experience an Ignatian Prayer, it will be available upon your request.

TIME TO SHINE REHEARSALS  
We have spaces for some extra dancers. Rehearsals will take place on Sunday 15 November between 1.00pm and 4.00pm at the Catholic Leadership Centre on the corner of Hoddle Street and Victoria Parade East Melbourne. This is a wonderful opportunity for students who love to dance, not necessarily just ballet students. We would love some new students to join us on Sunday afternoon to rehearse to perform at the Regent Theatre on 30 April 2016. No need to contact, just turn up prior to 1.00pm.

CARDINAL OSCAR RODRÍGUEZ SDB is the archbishop of Tegucigalpa (Honduras). He met Blessed Oscar Romero twice, and remembers the intensity of the civil war in El Salvador. “My first students were the 20,000 refugees fleeing into Honduras from the warring country... I was learning about Oscar Romero from those who had just escaped.” In 2013, Pope Francis appointed Cardinal Rodriguez as co-ordinator of the Council of Cardinals, which determines Vatican policies and priorities. Until recently he served as president of Caritas Internationalis, for which he received the Archbishop Oscar Romero Human Rights Award from the University of Dayton.

Process for Ordering Co-curricular Photographs
Loyola families may recall that in September the College organised for formal photographs of a number of co-curricular groups and teams to be taken for use by the College and for purchase by Loyola families at a cost of $15 each.

Academy Photography have now advised us of the process of online ordering. Electronic access to the proofs of these photographs is available via the use of the Shoot Key ~ DKCEG5N6 ~ at the Academy Photography website ~ www.academyphoto.com.au.

Families interested in purchasing one or more of these photographs are asked to visit the website and commence the process of viewing the proofs by clicking the Online Ordering tab. Details of the step-by-step process was sent via email to Loyola families earlier this week. Families are reminded that the College has obtained the best purchase price possible by having all orders delivered to the College and distributed to their child. Consequently when creating a new account to order the photographs the First Name and Last Name fields requested must be that of the child and not the parent or guardian.

Significant Events of 1985
The year 1985 realised a number of firsts for Loyola College. At the 7 March School Assembly and in the Ignatian of the same date, Mr Kennedy announced the first School Captain ~ Miriam Holmes. Miriam was chosen by staff and students as a result of her strong and loyal support of Loyola College throughout her time as a student at the College. Miriam was also awarded Dux of the College and part of the very first cohort of Year 12 students to compete their HSC studies at Loyola College.

While consideration for a new emblem began in 1983, numerous concept and design submissions as well as considerable community surveying and voting continued throughout 1985. By November, two preferences remained and were presented to Mr Sam Triglia who continued to modify the designs. By the end of the 1985 school year the School Emblem had been finalised and adopted. The final design incorporated the wolves and the kettle ~ the link to St Ignatius of Loyola ~ along with the five bars which represent the five parishes responsible for the foundation of Loyola College and the College Motto established in 1984.

Curriculum and physical developments continued throughout the College during 1985 with the establishment of the DOWAL and DOCAL committees, chaired by Mr Kevin Purcell and Mr Brian Sertori, respectively. With the completion of L Block, now the iCentre, the Year 11 and 12 students experienced their own learning space. The building contained classrooms for the senior year levels as well as specialist rooms for computers and drama.

Year 8 to 11 Semester Two examinations
The Year 8 to 11 examination individual timetables have been emailed to all students. Year 10 and 11 parents and guardians will have also received a letter outlining the examination procedure, as well as the details for the end of the year. Year 8 and 9 parents and guardians will receive a similar letter prior to the Year 8 and 9 examination period.

The examination period is as follows:
Year 11: 12 November ~ 19 November
Year 10: 13 November ~ 19 November
Year 9: 26 November ~ 30 November
Year 8: 1 December ~ 3 December

N Day (final submission of any late work to avoid an N)
A reminder to all students who may not have completed and handed in assessment tasks that there is a final date which is referred to as N Day. If a student does not submit work prior to this date they will not have met the requirements for that unit. The following N dates for each year are/were as follows:
Year 11: 5 November
Year 10: 6 November
Year 9: 19 November
Year 8: 24 November
Year 7: 3 December

It is important for all students to complete work even if it is late, as the work may be part of the examination. It is also good practice to complete what is expected and students can still receive feedback about their standard of work. Good luck to all students in the end of Semester examinations.
Year 10 and 11 Semester Two Examination Resits

We will again run Year 11 examination resits for any students who are continuing on in the subject in 2016, and did not achieve the minimum score of 50% for their examination. The resit examinations will take place in the week of 7 December which gives the student an extra two weeks to prepare for the examination. Subject teachers will contact any student who has achieved below 50% by email and ask them to meet with the teacher to go over the exam. If a student is hoping to change out of the subject, they will need to bring a permission note from home and meet with Ms Donnelly or Mrs Musgrove to see what subjects are available.

Please note that at Year 10, any student who did not achieve the minimum score of 50% for their examination will also be required to resit that examination, regardless if they are continuing on with that subject in 2016. This practice is slightly different to Year 11, as all Year 10 subjects are semester based and it is the College view, that all Year 10 students should be able to achieve a minimum score of 50% if they have prepared for the examination.

Students and parents will be notified of the resit examination schedule as soon as possible but unfortunately it will not be until after the Orientation program, as examination results are not finalised until 26 November. Therefore, I encourage Year 10 and 11 students to find out how they have performed in their Semester examinations from their subject teachers and if they have not achieved above 50%, to be proactive to ensure that they have either made appropriate subject changes (at Year 11) or to prepare well for the resit examination.

Parents and guardians may contact Ms Staub, the Year 10~12 Student Programs Coordinator if further clarification is needed.

2016 Orientation Period

Once again we will run an extensive Orientation period at Year 10, 11 and 12. Students will receive a copy of their Orientation period timetable and commence 2016 classes. Please be aware that the teacher or the class grouping that the student has for the Orientation period may not be the 2016 teacher or class, as there are many factors that influence this. However, students will receive their holiday preparation work and they will commence the 2016 course.

FROM TEACHER OF ENGLISH

At the beginning of this year the Year 8 Enhanced English class completed a unit of descriptive writing. The aim of this unit was to convey emotion and create a visual image through written language. Developing their understanding of writing structures and how to effectively use vocabulary; the class were given images which became the stimulus for their own creative pieces. Given the chance to inject their own personalities and passions into the stimulus, the students created a vast array of texts covering genres from horror to comedy and romance.

Since completing this assessment two students have taken the initiative to enter their writing into competitions using their assessment pieces and the skills they’ve learned to create new texts. Lycette de Souza (8 CJSI) and Kimberly Pagniello (8 ASJM) were both shortlisted in The Write Track 2015 writing competition and have been published along with other shortlisted students from around the nation. Since being published in this competition the girls have entered the Read Write Repeat writing competition and have been shortlisted yet again. The English staff are impressed with the level of sophistication and creativity shown by Lycette and Kimberly and also the initiative they have shown to seek out their goals.

Well done Lycette and Kimberly. We hope you continue to pursue your creative writing!

FROM TEACHERS OF MATHEMATICS

Year 7 Mathematics

As part of the Mathematics program for 2015, the Year 7 teachers’ team intended to increase student efficacy, confidence and personal achievement around their mathematical skills. This was achieved in a variety of ways including the application of the SODOTO (peer-to-peer teaching) and the Maffle project.

The Maffle project gave students an incentive to accumulate raffle tickets by completing their personal best work, with the possibility of winning a prize at the conclusion of the term. The first Maffle prize draw took place on Friday 30 October in conjunction with the current probability and statistics unit, with 25 students taking home prizes ($20 iTunes voucher, generously provided by a Wiley Jacaranda sponsorship).

The second draw took place on Friday 11 November with 25 students taking home prizes ($20 iTunes voucher, generously provided by a Wiley Jacaranda sponsorship).

Congratulations to all students who received tickets throughout the term and best of luck for the second draw.

Berthe Mouchette Competition
In June of this year, 50 of our French students from Years 7~10 participated in the annual Berthe Mouchette competition. This competition involves the students reciting a poem to the external examiners from the Alliance Francaise de Melbourne. They performed extremely well this year, with 11 students receiving the 2nd highest level of Excellent and 5 students receiving the highest level of Brilliant allowing them to participate in the finals held at the Alliance Francaise in St. Kilda. Our 5 finalists: Natalie Balloch (7 XMAC), Hannah Wilson (7 XLMC), Antonia Gazzana (10 MSOL), Alejandra Turcios (10 FECG) and Tiahn Welsh (10 KAMM) were fantastic ambassadors for our college.

In addition to the poetry section of the Berthe Mouchette competition, the Year 11 and 12 students participate in a written and oral examination which mimic the year 12 VCAA French exams. This year, 3 of our Year 12 students received a level of Excellent for the oral component and 1 of our students received Excellent for the written examination.

The college was also ecstatic to see 2 of our Year 12 students, Elena Fragapane (12 KSSD) and Lachlan McPhee (12 MKMS), attend the oral finals on 6 September. In order to make the finals, the students needed to receive 20 out of 20 in the initial phase. This is an incredible achievement and something that both students should be extremely proud of.

As well as being a finalist in the oral component, Elena Fragapane also represented the college as a finalist in the written component. Elena’s dedication to her French studies have been exemplary since beginning French at Loyola in Year 9 and this was evident when she took out the 2nd overall prize for Victoria, for the Year 12 category. An exceptional effort from an exceptional student!

Cross Border Data Privacy Security
Recently I attended a Privacy and Schools seminar at the Catholic Leadership Centre, East Melbourne, hosted by MinterEllison Lawyers. They presented various aspects of the Australian Privacy Principles (APP), which were introduced to the Privacy Act 1988 18 months ago, and how they affect the Education sector. The knowledge gained will help inform policy reviews in the coming year.

In the interests of keeping parents and guardians informed about privacy issues that may impact on their family members’ daily lives, I would like to draw attention to the following concerns in relation to signing up for Cloud services, including email and social media services. One should:

1. Take the time to read the site’s Privacy Policy, as it should describe how the organisation will use personal information and what steps the organisation will take to protect the privacy of personal information;
2. Determine in which jurisdiction(s) personal information will be stored, as this impacts on the level of protection afforded to that information. Specifically:
   a. In Australia, as in many other countries, the privacy regime (APP) governs how data is controlled and processed.
   b. Some countries have stronger privacy regimes than others. For instance, the European Union and New Zealand afford the strongest protections for personal information. Next comes Australia. Unfortunately the United States, home of Google Inc (Gmail) and Facebook, due to its Patriot Act (anti-terrorism legislation) does not provide as strong a privacy regime as does the EU, NZ or even Australia. Although Google will self-certify under Safe Harbour Principles, there are no guarantees that an Australian’s personal information will be protected to the same level possible if that data were to be stored in Australia.
   c. In some cases it may be possible to request that personal information be stored in Australia; both Microsoft and Amazon allow for this for some services.

With the gradual rollout of the Integrated Catholic Online Network (ICON) across all Victorian Catholic schools, the Catholic Education Office will be looking closely at its obligations under the APP.

Currently at Loyola College all personal information, such as staff and parent and guardian contact information and student medical details, is stored only in Australia, both on onsite servers and redundantly on backup servers hosted externally to the College.

FROM STUDENT PROGRAMS CO-ORDINATOR
YEARS 10~12

Ms Shannon Staub
Direct Line: 9433 0769

Year 10 and 11 Examinations
Examinations for senior students have commenced and finish on Thursday 19 November. All students have been emailed a personal examination timetable. Students are responsible for checking the times of all examinations, as the starting and concluding times vary according to the day and examination.
Absence During the Examination Period
At Loyola College, it is expected that all students sit all examinations. Any student who is absent for an examination due to illness may have the examination rescheduled; however, they must present a medical certificate to the Student Programs Coordinator (Years 10~12) on the day that they return to school during the examination period. Students who fail to turn up to an examination and cannot show a medical certificate will receive an NA (zero) grade and will be required to sit the examination on Monday 7 December or Tuesday 8 December during the examination resit period (see details below).

Examination Resits
In a continuous effort to improve students’ academic performance, Year 10 and 11 resits will run again in Semester 2. Any Year 10 or 11 student who achieves 49% or less in any examination will be required to resit that examination on 7 or 8 December. The outcome of the resit may affect a student’s 2016 academic program. Please note that this is not a consequence for students who do not perform well on examinations, rather a proactive approach to encourage students to complete all coursework throughout the semester and ensure thorough preparation prior to examinations.

Mobile Phones in Examinations
Increasingly as a College, we are faced with the issue of mobile phones and other electronic digital devices such as Apple Watches, being brought into the examination room. These devices have the capacity to compromise security of the exam and may also serve as a distraction to other students should they ring or vibrate. Please be aware that mobile phones and other electronic digital devices such as smart watches are prohibited from entering an examination room at any time. Students should leave these devices in their lockers or surrender them to the examiners before they enter the examination. It is our preference that they are left in lockers as no responsibility can be taken for phones collected at the start of an examination. Unfortunately, should it become apparent that a student has a mobile phone or electronic digital device on their person, it will be removed from the student, and a consequence issued.

Dear Loyola Community,

My name is Dianna Alonso and I have been appointed to the very exciting role of the Community Liaison Officer for Loyola College. It is with such honour and pride that I take on the position and I am so very well aware of the diverse and challenging nature of the job, clearly knowing I have big shoes to follow. Having a son at the school and working as a regular Casual Relief Teacher, I already had a great insight into the warmth and beautiful spirit that is so clearly evident in the Loyola College community. I would like to thank so many people who have already made me feel so welcome and I truly look forward to continuing the very important link between our school and the Community.

Academy Uniforms is now online!

Families are advised uniforms can now be ordered online via www.academyuniforms.com.au and collected at the school shop or home delivered. When accessing the site, choose the word Loyola and enter the password ~ Watsonia ~ to proceed.

Attention Year 12 families

If you no longer require the Loyola Sport House Polo tops for family members please consider donating them, if in good condition. We are especially seeking large Chisholm tops.

Annual Parent Thank You Evening

Every year Loyola invites parents and guardians who have volunteered their time at the College to a special evening where their contribution is acknowledged. This year’s event will be held on Monday 16 November from 6.00pm ~ 8.00pm in the Old Loyola Courtyard. Invitations were issued last week. If you assisted the College in any way, even if just the once and you were not invited then please believe it was an oversight on our part. If you would like to attend contact the RSVP number 9433 0259 and leave your name and any dietary requirement.

Loyola College Secondhand Book Sale

This annual cost saving exercise will be held on Tuesday 1 December in our Drama Room. Please find in this Ignatian the book list which contains the prices for all books that can be purchased. There are a large number of VCE books that have remained unchanged for next year so it is to the advantage of senior students that they consider participating in this exercise both selling and buying. Students are asked to drop off any books they no longer require to Room O014.

From St Mary’s Parish, Greensborough

The Annual St Mary’s Parish Fete will be held on Saturday 21 November from 10.00am ~ 3.00pm. We are looking for students or parents who would like to help with face painting or glittering and a Handball competition for even one hour. Please contact Fete Committee member Denise on 0400 537 640. Volunteers would be looked after in regards to food and refreshments.

Loyola Presentation Ball 2016

There are limited vacancies for couples wanting to participate in the 2016 Presentation Ball. If you are interested you will need to make direct contact as soon as possible to Joy Trigg on 0403 531 709 or email Jo-Anne Jo-anne@uas.com.au or loyoladeb@hotmail.com.au.

Secondhand Book Sale Information

Secondhand Book Sale  
Drama Room ~ 6.00pm ~ 8.00pm sharp  
Tuesday 1 December 2015  
Credit Card and EFTPOS facilities will not be available on Sale Night.  
Cash and Cheque accepted with cheques made payable to Loyola College.

- Please be aware there will be long queues at the start of the sale. However parents may possibly be able to buy all their requirements five minutes before closing. It all depends on their needs and what is available.
- If paying via cheque, please have it made out to Loyola College, ready for the amount to be put in at the checkout.
- Please do not request to buy books earlier or later than the specified time to avoid offence with a refusal. If parents or students cannot attend in person, we ask that
they arrange for someone else to purchase books on their behalf.

- We ask that parents please check their purchases carefully. We cannot exchange books once they have been paid for.
- Purchasers of calculators should be aware that they will need to be updated to the new operating system. This is a free and simple process which can be undertaken online via the Texas Instruments Website. Calculators are purchased at the buyer’s risk as the warranty will have expired and can be purchased in the checkout area of the Hall.

**Book Submission Times**

Years 9~12 students can submit their books at any time from now on to Room OL014.

Students can also submit their books on Tuesday 1 December from 10.00am ~ 4.00pm in the Drama Room — please follow signs around Old Loyola. Please note this is the same day as the Sale.

- Those submitting books in person in the Drama Room are asked to try and bring a Student ID Card (or copy thereof) to enable our scanning system to operate. This would be appreciated.
- Books with appropriate pencil or pen markings and highlighting will be accepted.

**General Information**

- Included in this Ignatian is a spreadsheet with the book names/prices in the three categories:
  
  2/3 = excellent 1/2 = very good 1/3 = good.

- Parents are requested to price their books according to the condition that the books are in and according to the price grid.

- Loyola College takes no responsibility for the pricing of the books by parents. It is up to the buyer to check to see whether each book is good value.

- If a book is handed in without a price on it, then the helpers will automatically price it at the lower price of 1/3 regardless of condition. It is therefore in the seller’s best interests to price their own books.

- It is important to note the exact edition of the books that are bought and sold. Rest assured that the books that we have listed as being able to be sold have been checked by our teaching staff. If a book is listed as being the 5th edition on the new booklist, but we have the 4th edition listed on the Second-Hand Booklist, it will be because the appropriate teacher has suggested the differences are minimal and the 4th edition will be suitable for use.

- All students should take care not to sell books that they will require for the following year.
- Please arrange for another student or family member to submit books if your child is away.

- Please be aware we cannot guarantee that your books will be sold.

- Whilst we are aware that a number of families sell books to each other every year, we ask that these transactions not take place at the Book Sale as this goes against the spirit of the whole exercise.

- We cannot accept any donated books this year at all, therefore books not accepted for the Book Sale will be returned when books are submitted.

- Year 10 ~ 12 students who are not continuing with Mathematics can also sell their Black CXCAS Inspire (coloured one). They will be priced by the Mathematics Faculty depending on their condition. Calculators will only be accepted if they are packaged in a plastic zip lock bag containing all cables, manuals and working batteries. Families submitting calculators for sale are asked to do at the same time as the books are submitted with book slips attached in the same way with all the relevant details.

**Book Slips**

Please only use the Lemon book slips provided and take only as many as required as they are individually barcoded. Do not photocopy.

- Book slips will be available at Old Loyola Reception and the 0014 door rack for sellers to fill out before submitting books.
- One slip should be completed for each book submitted for sale with the student's name. Both sides of each slip are to be completed.
- The two sided slip should be kept intact and placed inside the front cover of the book.
- When the book is accepted for sale, the left hand side of the slip will be placed inside each book and the right hand side of the slip will be returned as a receipt and proof that you have submitted it.

**Return of Unsold Books**

- Proceeds from the sale of books will be credited to the Family Fee account in 2016.
- Year 12 students without siblings here in 2016 will have their bank account credited or a cheque posted home made out to their parents or guardians. Please bank cheques as soon as possible.

  **15% commission** will be deducted from the sale price of books as a contribution to the LPFA. Please take this into account when calculating how much you should receive for your books.

- Please do not assume all books submitted are sold. Families can contact the office on 9434 4466 to learn if there are any unsold books to collect.

Unsold books can be collected from Old Loyola Reception from 2.00pm Thursday 3 December until 4.00pm Friday 11 December. After this the books will be given away.
