

Loyola Ex-Students Association has established an online business directory "Connect", specifically for the Loyola Community. The directory is an opportunity to promote various products and services to a potential audience of thousands of ex-students and Loyola families, by way of an easy-to-navigate search engine.

As we are still growing, we have only this one page, please scroll down to find the service you require and give them a go. It should give you the comfort of knowing that your requirements are being met by professional associates for Loyola College.

To become a part of LEXSA Connect email me at lexsa@loyola.vic.edu.au. We look forward to hearing from you.
