Dear Members of the Loyola College community,

Over the last fortnight there have been many examples of members for our community using their gifts and talents, from parents doing volunteer work here at the college to staff and students involved in special events that have enriched the life of our College community and I am delighted to be able to share these in this newsletter.

**Working Bee**
I thank the wonderful group of over 60 parents and students who attended the May Working Bee. Much good work was accomplished in grounds improvement in establishing a new garden area along the boundary fence behind the soccer oval. This is a large project and I thank Mr Rigoni the LPFA Working Bee coordinator who organised this event, Mr Kelly (Head Gardener), Mr Short (Gardener) and Mr Hall (Facilities Manager), for working with the parents and students on this project.

**Annual College Musical Production Hairspray**
I wish to congratulate all involved in this year’s College production. The event was close to a sell-out over the 3 nights. This was clearly a major team effort with many staff and students involved I thank them all for their support, hard work and generosity of time invested in producing and excellent night of entertainment. I particularly wish to thank, Ms Thompson (Co-Director and Stage Manager), Mrs Tolli (Co-Director) and Mr Leary (Producer) for the key roles each played in ensuring a most successful event. I congratulate all the performers for their dedication, professional presentation and for sharing your gifts and talents with the College community. Congratulations to everyone involved!!!

**Swinburne University Scholarships**
Ms Pola and I attended an awards ceremony last week in which two Year 12 students of 2015 received Scholarships as a result of their excellent Year 12 achievements. We congratulate Natalie Tuke and Christopher Powell.

**Pentecost**
The feast of Pentecost was celebrated last weekend, a time to reflect on the many gifts that the Holy Spirit has given to each one of us and a reminder that Jesus is with us today. In our busy and somewhat troubled world we need to use those gifts received at our Confirmation to improve the quality of life for all. We can begin this in our homes and local community by offering to give our time and energy to assist others. Perhaps we can reflect on those gifts of the Holy Spirit received at Confirmation, Wisdom and Understanding, Knowledge and Reverence, Courage and Right Judgement, Wonder and Awe. In doing so we can ask ourselves how we are applying these gifts in our own lives for God’s greater glory.

Joseph Favrin
Principal
Winter Sleep Out
Loyola will be involved in the Winter Sleep Out again this year. This is a national event that raises awareness about the issue of homelessness. The first opportunity for Year 12 students to participate is Thursday, 9 June. Students will leave from school at 3:30pm and travel to Ozanam House. During the evening they will have dinner at Lentil as anything and visit Melrose St Soup Kitchens. Upon returning to the College at approximately 10:00pm, they will sleep outside.

The next morning, they will join the rest of Year 12 at the Reflection Day. See details below.

This event is organised by the Loyola Young Vinnies and is open to Year 12 students. There will be opportunity for Year 11 students on Friday, 5 August. Permission forms are available from Mr Lynch.

Year 12 Reflection Day
Friday June 10 – Reflection Gives Direction – People for Others
On Friday, 10 June, all Year 12 students are required to be at the front of Old Loyola by 7:50am. The year level will travel by bus to the Abbotsford convent to participate in the annual Year 12 Reflection Day. They will return at 4:30pm. Students may wear neat casual clothes and are asked to bring:
- Morning snack and lunch drink. There will be pizza available at lunch time.

The day will finish with a liturgy celebrated by Fr. Gerry Healy in the original convent Chapel, 1 St Heliers St, Abbotsford.

Instead of the usual Reflection Day cash donation, students will be asked to sponsor one of their Year 12 peers with either winter clothing, toiletry items or cash that those on the winter sleep out will take to Ozanam House. These items will be collected prior to the Reflection day.

Sherry Balcombe Visit
Currently the Year 10 group are studying a Social Justice Unit that focuses on the story of the Indigenous people of Australia. Last week, Sherry Balcombe, director of the Aboriginal Catholic Ministry of Victoria spoke to the students on Aboriginal Spirituality and her Catholic faith.

Sherry started by acknowledging the Wurundjeri people and thanking them for allowing us to live on their land. She spoke to the students about Indigenous Issues both past and present and gave a very personal insight into living as an Aboriginal woman in Australia today.

She also spoke about the vitality and breadth of Aboriginal Spirituality and how it enhances her experience of the Catholic faith.

Australia’s Biggest Morning Tea
The six house committees will run simultaneous morning teas for all students in their respective house areas on Tuesday, 24 May. This major event will be co-ordinated by the Loyola Young Vinnies Group. The money raised will be used by the Cancer Council to support research and other programs to assist those with the disease.

Students are asked to support the morning tea by participating or bringing a donation.

WORLDWIDE MARRIAGE ENCOUNTER WEEKEND - Invest in your most precious asset.....Your Marriage!
Forget life’s tensions and interruptions and rekindle the closeness, intimacy, love and romance that brought you together. Recharge your relationship batteries and explore the precious nature of your marriage.
There is no group sharing. Couples and a priest present the weekend. It is based around Catholic values but couples of all faiths are welcome.
2016 Melbourne Weekend Dates: 17-19 June, 19-21 August, 11-13 November
Starts 7:00pm on Friday. Ends 5:00pm Sunday. Accommodation and all meals provided.
Information/Bookings: Phone: Marianne & Marcel 9733 0997
Email: vicbookings@wwme.org.au
Website: www.wwme.org.au

College Working Bee
A special thanks to all those who attended the College Working Bee on Saturday 14 May. There was a wonderful community spirit around the grounds and it was fantastic that we had almost 70 people attend. Such wonderful numbers. The sun was shining and it was pleasing that so much work was completed on the day. We are continuing to improve our already beautiful College grounds. A special thanks to Dianna Alonso, Denise Chang-Faux and the LPFA for driving this wonderful morning. A great effort by all.

Mother Daughter Breakfast
Thank you to everyone for your feedback on the Mother Daughter Breakfast. Everyone had such a wonderful morning and the feedback received has been so incredibly positive. It was great to see everyone enjoy a wonderful breakfast, join in a prayer service together and then experience a great array of activities where mothers and daughters were able to work together. Thank you to Mrs Dianna Alonso for spearheading this great morning and for the incredible work of our staff and students who made the day possible.

Professional Learning Day
On Friday May 6 our teaching staff, classroom assistants and library staff enjoyed a fabulous day of Professional Learning that was delivered to us by world leading expert Doctor Loretta Giorcelli. The day focussed on inclusive schooling and ensuring we are catering for all students no matter what their needs. Doctor Loretta was a great presenter who gave us such strong insights into this important topic. She also reaffirmed the things we are doing right and enabled us to focus on where we are going from here. In the afternoon we had some great presentations from our Student Services Team. Well done to all involved in the day.

Camps, Sports and Excursions Fund (CSEF)
School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school and credited to the fee account to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:
$125 for primary school students
$225 for secondary school students.

Eligibility Date
For concession card holders CSEF eligibility will be subject to the parent/legal guardian’s concession card being successfully validated with Centrelink on the first day of either term one (27 January 2016) or term two (11 April 2016).

Closing Date
Schools can accept parent applications up until 03 June 2016, however, parents/guardians are encouraged to lodge their application as soon as possible.

How to apply
Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

More Information
For the CSEF application closing dates and more information about the fund visit www.education.vic.gov.au/csef

(TEACHING AND LEARNING)

Ms Suzanne Pola
Direct Line: 9433 0233

Student Examination Preparation
All students will receive their individual examination schedule via email over the next fortnight. Students need to be aware of the venue for each examination, as they can change. In particular, students need to be aware of which room they may be in if their examination is in B Block or where their study room is.

Research shows that students who practise completing test questions, essays, paragraphs, or multiple choice questions achieve better grades on their examination, than students who revise by re-writing their class notes. We encourage students to complete past papers, practice tests and have their subject teacher provide feedback on their practice papers.

The student planner is also an excellent resource for students to use in their preparation, particularly the following pages:
- pages 55 – 56: Seven Secrets to Remembering
- pages 57 – 58: Key words in a question
- pages 59 – 60: 14 Ways to combat stress
- page 64: Preparing for Exams
- page 65: How to beat those exam jitters

Students should also be speaking to their subject teachers regarding their specific examinations, so that they are confident about the content of the examination but also how to revise prior. The LMS also has excellent resources for students to use to help in their exam preparation.

Year 10 and 11 students start their examination on June 8 and Year 8 and 9 students commence their examinations on June 14. Resit examinations will take place on July 6, 7 and 8 for any Year 10 or Year 11 student who achieved below 50% on any examination, including Performance and Oral examinations in the Performing Arts and Language subjects.

FROM FRENCH LANGUAGE TOUR LEADER

Mrs Miriam Stylli
Direct Line: 9433 0792

France Study Tour 2016
On the March 22, 17 Loyola students joined 3 Penola students, along with Ms Grills, Mr and Mrs Favrin and Mrs Stylli to embark on a fantastic 3 week tour of France. To see first hand, the many famous sights while experiencing French culture, language and hospitality which will remain in our memories for a lifetime. I strongly encourage all students to consider travelling on a study tour. The following are some of the students’ memories of this trip:

Our first stop of the French tour was the magnificent city of Paris. Over the course of one week the students and teachers on the tour visited some of France’s most prestigious monuments, including the Louvre Museum, the Arch of Triumph, the Eiffel Tower and the Notre Dame Cathedral. Exploring the streets of Paris was also an eye-opener into the daily lives of the French people, a very different experience from Melbourne. It was a worthwhile experience visiting Paris and one I doubt the group won't forget soon.

Thomas Frajsman, 10 MDHT

Auvers-sur-Oise & Versailles, March 26
Today we went to Auvers-sur-Oise and Versailles. We took the bus to Auvers-sur-Oise and we visited the grave site of Vincent Van Gogh and his brother Théodore Van Gogh. We then bought lunch at a local bakery and enjoyed our lunch at the park of Van Gogh. We then travelled to Versailles and
visited the Château de Versailles (Castle of Versailles). I found it extremely interesting after previously learning about Louis XVI family after the French Revolution. The castle was beautiful and intricately decorated in colours of blue and gold. Overall the tour was amazing and I plan to go back and visit soon.

Jaylene Quiaonza, 10 XMAC

Our second week in France was in Avignon. We were greeted with open arms by our host families for the week. We all went to many places such as Le Pont D'Avignon and Le Palais des Papes as well as exploring the beautiful walled city of Avignon with our host brothers and sisters. Overall everyone on the trip made life-long friends and will not soon forget Avignon

Monique Belinic 10 MMB

Our last stop was Nice. I personally enjoyed this part of the trip the most. On our way to Nice we stopped at Aix en Provence and Cassis, during this day we were able to go shopping at a lovely market and see the amazing scenery of these towns.

We spent the second day visiting three unique towns. The first town was Grasse where we visited a perfume factory. It was a very interesting and unique experience. We also visited Cannes, the location of the Cannes film festival as well as St Paul de Vence, a hill-based medieval village with magnificent views.

The third day was most enjoyable with the group exploring Nice. Nice is an amazing city with a lot of history and beautiful architecture.

The fourth day, we left the country on a train to Monaco. Monaco is a wonderful country, where the Grand Prix is held each year in May. Monaco has an amazing cathedral that has a detailed pulpit and a beautiful Palais du Prince.

Bridget Wood, 10 CJSI

FROM ITALIAN LANGUAGE TOUR STUDENT

Antonia Gazzana (11 MSOL)

The 2016 Italy tour began after months of preparation. We had meetings about the various things we would need to bring, what we would need to know about Italy and general information. All that time feeling like it was so far away.

The next thing we know, we’re all standing at the airport ready to go, feeling nervous and excited at the same time.

Stepping from the airport in Rome out into the open was completely surreal. We were taken by bus to our hotel and on the way we got to see some of the countryside of Rome, before we came closer to the city. After leaving our bags at the hotel we began our exploring. It was the first time we heard people speaking in Italian, which was so amazing.

The next day we went to Sorrento. This was a fun time for everyone. The city was so beautiful. It was filled with picturesque alleyways and colourful buildings you only think exist on postcards. We were able to have some free time to shop in a section of the city. This was a time we could be independent and could use the Italian language we had studied in class to talk to people who worked in the shops, or to pick up what passers-by were saying. I believe it was a time where most of the students felt immersed in Italy. It was such a wonderful feeling to talk with people from another part of the world and to be able to share a conversation.

The next day we saw Pompeii. It was absolutely incredible. We were taken on a tour through the ruins of the city and we learnt about how the people of Pompeii once lived. Sometimes I had to take a break and try to imagine that people had actually lived in the city I was standing in. We all marvelled at the intelligence of the Roman civilisation and we saw the effects of the eruption of Mt Vesuvius.
We then returned to Rome for three days of sightseeing. During this time, we visited many incredible places in Rome. We saw the Colosseum, another marvellous place that had so much history. We saw the Spanish steps, Piazza Navona, the Roman Forum, and the Pantheon. We attended Easter Sunday mass at the Vatican and saw Pope Francis. We also threw our coins in the Trevi fountain. During these days we learnt a lot about Rome's history and we saw the way Italians live and interact with each other.

On our way to Florence we visited the Baci Factory, I can say we all now have a greater appreciation for chocolate after eating all the samples of different chocolates. We also were able to see inside the factory and learnt about how the factory was established and about the people who began it.

Florence was another city we all loved. It is a city full of art and architecture. We visited many galleries and saw original works from artists like Botticelli, Caravaggio and Da Vinci. We saw Michelangelo’s statue of David and learnt about why and how it was made. We travelled by train to see the leaning tower of Pisa and some of us climbed to the top. It was slightly unsettling to walk up the stairs feeling unsure of my balance and being able to tell which parts of the tower were leaning. Getting to the top was a feat, and the sight of the Tuscan countryside was breathtaking. Looking down was interesting, too!

After this we made our way to Castelfranco. This was where we would meet with our host families after previously being in contact by email. We were all incredibly nervous, but meeting them was so lovely, they were such kind and generous people.

During the home stay we attended the Istituto Alberghiero Maffioli which was very interesting. The way school is structured is totally different from schooling in Australia. We compared aspects about our lifestyles and laughed at the differences. During this stay we spoke in Italian and learnt so much. We were also taken around parts of the Veneto region by the school and our families. They were eager to show us as much of their hometowns as possible. We became really great friends, and it was sad to leave them but we’re looking forward to their visit to Australia in September.

After this we spent the last few days in Venice. It was so strange to see a city surrounded by water and it made us feel like we were in a movie. We went on a gondola ride and passed more beautiful alleyways. We also visited the islands of Murano, Burano and Torcello. It is such an amazing city.

After this we said goodbye to Italy, we had experienced and seen so much. We were excited to come back home but we have so many amazing memories!

FROM LANGUAGES TEACHER

Mr Luca Chiarato
Direct Line: 9433 0254

Languages Week

In the fourth week of this term, Loyola College celebrated Languages Week. The study of foreign languages at school is a valuable experience that offers an insight into, not only the structures of a different language, but also into another culture and world-view.

Each year level from Years 7 to 10 celebrated the language they are currently studying on a different day of the week and were involved in a myriad of activities.

On Monday May 02, the Year 8 students began Languages week by taking their learning outside the school gates and experiencing the offerings of the city.

The year 8 French students went into the city. First, they ventured to Northcote and saw a very enjoyable French movie with English subtitles called Les Vacances de Petit Nicolas (Nicholas On Holiday). Afterwards, they went to Breizoz Creperie where they all ate amazing crepes! Before they caught the train back, they enjoyed Fitzroy gardens, where they talked, relaxed and soaked up the sun.

On the other hand, the year 8 Italian students experienced in first person some iconic Italian activities, such as tarantella dancing, pasta making and soccer at the Calabria Club in Bulla. Last but not least, eager Indonesian students explored Melbourne Zoo.

On Tuesday May 03, the Year 7 Italian students took some time to watch Alla Ricerca di Nemo (Finding Nemo), a much-loved film. This activity was followed by much excitement as all Year 7 students worked together and came up with Italian sentences describing the characters from the film.

IT’S SHOWTIME!

LOYOLA PERFORMING ARTS CENTRE

Ladies and gentlemen, we invite you to sponsor a seat in our new Performing Arts Centre.

Join other members of the school community and commemorate your connection to Loyola College
in the name of your family, your son or daughter, your business or in memory of a loved one.

When you sponsor a seat in the Performing Arts Centre, your support will be recognized for the lifetime
of the College, with a plaque carrying your name and taking pride of place on a seat.

This fully tax deductible gift of $500 will have a seat in situ for generations of Loyola College students.

Funds raised from seat sponsorship will ensure that the new building is fully equipped with all necessary resources.

This purpose-built facility will feature tiered seating for 500 and state of the art audiovisual facilities.

The whole community is invited to be a part of this momentous project.

Construction is due for completion in September 2016 and there are limited seats available, so don’t delay!

For information contact Denise Chang-Faux at changfauxd@loyola.vic.edu.au or 9433 0281

The French and Indonesian students immersed themselves in cultural activities to deepen their knowledge of their target language countries.

On Wednesday the Year 9 students were also given the opportunity to take their learning into the city, exploring the French, Indonesian and Italian sights and tastes of Melbourne. They participated in various activities such as identifying different shops and buildings, finding out about their history and what they sell.

The Year 10 students were the last to celebrate and finished off Languages week in style!

On Thursday, the Year 10 students participated in a Languages Banquet, hosted in the Companions Hall. The event started by decorating their separate tables with themes that had to do with their language. They then sang the national anthem of the three countries; Indonesia, Italy and France and enjoyed a 3 course meals with each course representing the 3 respective countries. They participated in fun games and challenges during the course of the afternoon.

We hope that all students enjoyed celebrating Languages week this year and a big thank you goes to all the students and staff who worked hard to organise these events and to everyone who assisted throughout the week.

Merci beaucoup, Grazie mille, Terima kasih banyak!

FROM HEAD OF MATHEMATICS & MATHEMATICS TEACHER

Mr Heath McCluer
Direct Line: 9433 0732 &
Mr Geoffrey Wambeek
Direct Line: 9433 0784

Who says “…girls don’t take Specialist Mathematics in Year 12.”

In 2016, there are six girls attempting Year 12 Specialist Maths which is very likely the highest number ever at Loyola and far higher than most other Secondary Colleges. Traditionally, we have one to three girls undertaking this subject, so it is great that 50% of the 2016 cohort are girls.

Specialist Maths numbers are rapidly declining in most Secondary Colleges and have halved in the last few years to less than 3500. Also, girls represent a very small percentage of this diminishing value. In fact, numerous schools do not even offer this study at VCE level.

These are unfortunate statistics and they probably eventuate from the subject being removed as a pre-requisite for entry to many university degrees due to declining numbers. This is a shame because the high level analytical skills that students develop by attempting this subject are readily transferable to other fields of study. A challenging subject should not be avoided by talented students, particularly girls.

For mathematically capable girls, Specialist maths is a subject they should consider at Year 12. You might not wish to be an engineer or a research scientist, but surprisingly Specialist Maths is compulsory for prestigious Finance degrees such as Actuarial Studies. Also, Specialist Maths is a highly scaled study, and capable maths students can boost their ATAR score significantly by attempting this subject. In 2015, one of our students scored a scaled study score well in excess of 50 which is the perfect score in nearly every other VCE subject.

So if you are a girl at Loyola who is achieving good results in Maths, speak to one of the girls pictured and ask questions about attempting Specialist Maths in Year 12.

FROM ICT MANAGER

Mr Victor Dalla~Vecchia

ICT News

Cyber safety Part 5: Cybersecurity – “How does one protect oneself from online scammers?”

When one engages in online social networking, one may post pictures, make catch-up plans with friends, and generally chat about what has been going on in life.

But, sadly, it also offers a plethora of unscrupulous individuals and organised cyber crime syndicates an irresistible opportunity to gain access to people (e.g. via Facebook, Twitter, online gaming or via email) in an attempt to exploit and defraud them of their money.

Mr Heath McCluer

2016 Loyola College Musical: Hairspray

• I will not swear in class
• I will not swear in class
• I will not swear in class
• I will not swear in class
• I will not swear
• I will not swear

---PHOTOGRAPHIC IMAGES PROVIDED MR DINH TRAN, MR JONATHAN PROUT, ALEESIA SOTIROPOULOS XMCL AND VICTORIA LEE AEGR ---
FROM THE DRAMA CAPTAIN: Abby Foster (12 MFVE)

Life for those of us involved in the Drama department so far this year can be described as only one word. Hectic. Beginning with House Eisteddfod on March 17, all six houses fought it out with their own, completely student run and organised, ‘mini musicals’ and the night was as much entertaining as it was enjoyable. All students involved were left with incredible sensations of elation as they walked off stage, proud of showing off their plentiful talent. I would like to congratulate Flynn House for their victory with their production of Oliver.

Next up was the College production of “Hairspray.” After months of tireless rehearsals, I can speak on behalf of all people involved that we put on a spectacular show. Performing on May 5, 6 and 7, we successfully sold out two shows and had few seats remaining on the other show. So many students sacrificed their time for this show, whether they were involved in the cast, crew or band, and I, along with everybody else involved, would like to thank Mrs Toll, Miss Thompson, Mrs Hedger, Mr Leary, Mr Ives and Mrs Hulme for their commitment and devotion to the show.

I would also like to mention the Time to Shine Catholic Schools Gala performed on April 30 at the Regent Theatre. The gala consisted of a variety of songs, dances and other forms of talent and Loyola College was pleased to be represented in singing and dancing by 7 students.

Drama at Loyola so far this year has been busy, but the final product of our tireless work was exciting and something students and teachers alike should be extremely proud of.

FROM THE STUDENTS

Chisholm House has officially opened their annual baby goods drive to support the Caroline Chisholm Society, an organisation which helps women with newborns and children up to 5 years of age with the basic necessities all parents should be privy to.

STUDENT OF THE FORTNIGHT

Renee Shannon (10 CMDA)

For her extremely hard work in organising the Chisholm House debating teams and ensuring that they were ready. Renee Shannon always puts in 100% with everything that she does and is always striving to do her best.

Renee is our Year 10, year level co-captain and she is a dependable, inspiring, and hardworking individual.

Chisholm House is extremely lucky to have somebody like Renee with us.

MUSIC UPDATE

Grace Glennen (12 MMBM)

2016 has so far once again proved to be an incredibly successful year in regard to Music at Loyola. We started off with our annual Autumn sounds concert, allowing Loyola’s finest musicians to showcase their passion and talent. Every act performed to the best of their abilities and I’d like to give a big congratulation to the VCE music students who performed a solo piece!

All ensembles have been working tirelessly for the last month in preparation for the close approaching bands fest, where we will compete with other bands from around the state.

Soon we will depart to the much anticipated band camp for three days to further practice our pieces for bands fest and develop close, working relationships with other members in our ensembles. Band camp provides us with a great opportunity to get away from the hectic atmosphere in school and focus solely on our music in an attempt to learn new skills and bring them back home with us.

I’m extremely excited for what the rest of 2016 has to offer in regard to music and I can’t wait to see you all for our Winter concert coming up on June 21!

CROSSWORD

This edition produced by Renee Sulyok CTFO and Chris Kamphuis CIKE of Chisholm House.
Scamming is where one person, a cyber thief, pretends to have a legitimate financial need and exploits the generosity and naivety of another in order to obtain that person’s bank account or credit card details, with the ultimate aim of ripping money off that person.

How effective is a home antivirus at stopping electronic scum and villainy such as viruses, worms and trojans from infecting and spying on the home computer and passing personal information back to cyber criminals? The truth is that there is no antivirus software or firewall in the world that is capable of securing personal bank account details on a computer if these details are unknowingly and freely offered to phishing scammers! How? Read on…

Ever gone fishing? Throw out a line and wait for a bite. Hopefully the hook does its job and, hey presto, one gets a catch. On the Internet this is called ‘phishing’ – same sound, different spelling; one is legal and the other is not, at least in most developed nations. It is what cyber criminals do – they try to trick children (and adults) into freely handing over their parent’s or their own credit card details. No firewall needed here.

What is interesting about this type of scam is that it is not asking for money; actually, it is asking to put money into one’s bank account, to then strip the account empty before anyone realises. But don’t be fooled! If the person is a stranger, then the person is most likely not a ‘friend’, but a ‘fiend’. These scams usually originate from organised crime syndicates operating in countries such as Nigeria and Russia, where there are no laws forbidding such practices, meaning there is no way for a person to get his/her money back!

If such an email is received, add the sender to the email ‘blocked senders list’, then delete the email.

There is no substitute for parental involvement in a child’s online activities. Parents/guardians should establish an ongoing conversation with their children about their various online experiences, providing guidance whenever necessary. Importantly, parents/guardians might consider going online themselves and joining a social networking site or getting involved with friends in a chat room. Parents/guardians should be familiar with the space their children are playing in.

To learn more about staying safe while online, visit www.staysmartonline.gov.au.

The next Monday Morning Tour will be held on Monday May 23 from 9:15 am – 11:00 am. Bookings are essential via my contact details. The tour will include Morning Tea with our Principal, Mr Joseph Favrin.

Mother and Daughter Breakfast – Thursday May 5

A very nice morning was had by the 200 people who attended this very popular event. The canteen and the Hospitality students did an amazing job in providing a delightful breakfast. The Paraliturgy was very touching as we were truly blessed by Fr. Steven Rigo’s special gift of story telling.

The families all then went in different directions to participate in various activities which included – gardening, fitness, dance, drama, cooking, book mark /origami, art and ICT games.

It was a great opportunity for Mother’s and Daughters to take time out of their busy schedules and bond.

A big thank you to all those who assisted in making it a successful event.

Parking Concerns
Attention Parents

Loyola College has received a number of complaints from nearby residents in regards to some Loyola parents who are causing parking issues in the streets around the College.

Castlereagh Place– Residents are very upset with parents who park in the drive ways and nature strips and wait for their child to arrive. This is not appropriate and residents have notified the Council. In some instances, a photo of your car will be taken and a fine of $91.00 will be sent to you via mail.

Please park in permitted areas.

Sharpes Road – Please do not stop at the intersection to let your children out , this causes traffic delays and is extremely dangerous. The safety of students and other road users is of the utmost importance.

Please park in the side streets to allow your child to get out of the car safely.

Common Courtesy

Due to the building of our new Performing Art Centre an increase in the amount of cars in Bungay Street is
unavoidable. I do ask all parents dropping their children to show courtesy to other drivers by stopping in legally allocated parking spots. Dropping your child off at the gate is not only illegal, it also causes congestion and frustration to other drivers. Please show common courtesy to others by giving way to other cars to ensure that there is a smooth flow of traffic, particularly in the morning.

Your understanding on the importance of these matters is appreciated.

International House & Manresa Cottage
Are you moving house, renovating or expecting overseas guests and need somewhere to stay well …

Just inside Gate 4, on the corner of Bungay and Kenmare Streets sits our International House which is used for accommodation on a short term basis for both overseas visitors and members of our school and local community. Behind the Old Loyola building in the south western corner of the property, sits a quaint little Cottage that we also rent out. These rentals are ideal for family members or friends who have to attend a function or appointment in Melbourne and require an overnight stay or longer at a very reasonable price. Some of our families have extended family who live interstate and rent the cottage on a regular basis when paying a visit to Melbourne for 1 or 2 weeks. Loyola’s close proximity to shops and the train makes it ideal to be independent and yet close to relatives as well.

Anyone interested in learning more should access www.loyola.vic.edu.au/information/accomodation. Or contact myself either by phone or email.

The Maytime Fair
A wonderful day for all those that attended the Maytime Fair on Saturday May 7 at Xavier College. Loyola College was well positioned near the rides and sold over 1000 hot donuts. Our school raised over $1,600 with all funds going to the Jesuit Missions. A great attendance of both parents and students who made time to help run the stall. A big thank you to Kim Garth and daughter Emily who organised the event and lead to the success of the fund raiser.

Presentation Ball
Just a reminder that the next Presentation Ball practice is on Sunday May 22 at 6:15pm. Any queries contact Joy Trigg at joytrigg@gmail.com

LPFA Fundraiser – Entertainment Books
This year the LPFA are fundraising by selling Entertainment Books or Digital Memberships. 20% of every sale will go towards the state of the art facilities in the new Performing Arts Centre. Books are available at Loyola reception, or, purchase a digital membership by logging onto www.entbook.com.au/187x238 This will give your digital Membership that you carry with you on your phone at all times! Have access to all your vouchers in your pocket. Amazing value with up to $22,000 worth of savings for just $65.00. Support the school and get yourself fabulous discounts on food, entertainment, hotels, flights and shopping!

The brand new Entertainment™ Digital Membership puts all of the value of the Entertainment™ Book into your Apple or Android device, and allows you to:

- Just show your phone to redeem hundreds of valuable offers from restaurants, café, attractions and more!
- Search for businesses near to you, and preview their offer
- Search for specific businesses by name, location or dining category
- Access your Membership on the devices of your partner and children
- Keep track of your savings as you use your Digital Membership

It is that easy!

LPFA Working Bee – May 14
Once again we were blessed with amazing weather and had a great turn out of over 65 parents and students. So many jobs were completed including the planting of many trees and laying down of bark. A report to be submitted in the next Ignatian.

St. Mary’s Cake Stall
St. Mary’s will be holding a Cake stall as a Community Fundraiser after each Mass on the weekends of: May 21 and 22

They will have a delicious selection of cakes, slices, biscuits and jams for sale.

Any donations of any of these items would be gratefully accepted.

If you wish to make a donation, please contact Anne Marshall on 9434 2801.

Donation of School Uniform Items
The school would appreciate the donation of unwanted school uniform items. The clothing is used for visiting overseas students and families facing financial hardship.

If you have any uniform items, in particular, new uniform items such as girls’ dresses and the new sports uniforms, could you please leave them at Reception. All donations are greatly appreciated.

Local Census - Jobs available now
Make a difference in your community and join Australia’s largest logistical peacetime operation – the 2016 Census of Population and Housing.

Census night is August 9, and the Australian Bureau of Statistics is right now looking for dedicated, enthusiastic
self-starters to fill up to 6,900 Field Officer positions across Victoria.

If you’re community minded and comfortable using a mobile or tablet device, the ABS wants to hear from you.

Field Officers play a critical role by visiting households and ensuring everyone makes the Census count.

They’ll also earn around $21.00 an hour and enjoy flexible, part-time work hours for up to 3 months. To do the job you’ll need to be a good communicator, reasonably fit, licensed to drive and able to travel and work independently.

To apply or find out more information, visit www.abs.gov.au/careers

ACS Winter Sport

ACS Winter Sport is now fully underway. The Seniors opened the season with a re-scheduled round against Overnewton on April 27. Part of this round involved Loyola hosting our first ever night fixture in the 1st XVIII Football, at Montmorency Park. The night was a success, with perfect conditions, an excellent crowd and a highly competitive game. Loyola led narrowly at half time, but a 3rd quarter surge from Overnewton was enough to score a 13 point victory for the visitors.

At the time of printing, our Seniors have completed three matches. Our Girls Futsal Teams, Firsts and Seconds, who contain many of our key players from our ground breaking 2016 Premiership Soccer team, have made a great start to the season and remain undefeated. Our Firsts Netball team is also well placed to mount a challenge and sit at 2/1.

The Year 9s have completed 2 fixtures, with 9A Football and 9A Netball leading the way with two strong wins.

The Year 7 and 8 teams successfully commenced competition against St.Michael’s in Round One, with most teams chalking up wins. The full results for Round One are listed below:
