Dear Members of the Loyola College Community,

The last fortnight has been busy with examinations and the preparation of Semester 1 Reports. I am pleased to report that the examination period progressed well and it was pleasing to see so many students working hard to ensure the best possible results. In this final newsletter for the term we share a number of important events and notices.

Year 12 Trivia Night
I congratulate the Year 12 students on a successful Trivia night held on Friday 10 June which raised funds for the new Jesuit school in East Timor. It was wonderful to see the students spending time together enjoying each other's company and at the same time contributing to a very worthy cause. Congratulations to Mrs Salmic Deputy Principal – Students and the College Committee on a very successful evening.

Upcoming Events
The next few days will see a number of events taking place to finish the term's activities. These will include, the end of term College Assembly, the Winter Concert and the two Presentation Balls for Year 11 students this coming weekend. I thank in advance all who have worked to make these events possible.

East Timor Immersion
In the holidays two senior students Thomas Kelly (11 CTFO) and Janine Mercado (11 ARAS) will be involved in the Jesuit Schools immersion visit to East Timor along with other students from our Ignatian schools in Australia. The students will be accompanied by Ms Hussey and Ms Crowe. As always I anticipate that this will be a wonderful opportunity that will celebrate the culmination of much hard work and effort by staff, parents and students who have put in many hours of preparation and organisation. I look forward to hearing of their experiences on their return.

Italian Sister School Visitors
Our Italian visitors from the IPSSAR Maffioli leave us at the end of this week and return to Italy concluding their four week stay at Loyola College. At a special dinner on June 8 they were presented with certificates acknowledging their participation in the Loyola Vocational Exchange Program in Hospitality. I thank Mr Roberts our Intercultural Perspectives Coordinator, for all his hard work in overseeing the organisation of this program at the College. I also thank the many staff, students and families who contributed to its success.

Staffing Matters
At the end of this term we farewell Dr Sneddon (College Psychologist) and Mr Chiarato who have resigned to take up positions at other schools.
We welcome Mr Smith (Counsellor) and Mrs Lawrence who will be a Classroom assistant both joining the Student Services team.

We welcome Mr Ryan and Ms Zaharias who will be filling two English vacancies for Semester 2.

We also farewell Mrs Harrison who will be taking maternity leave and wish her well as she prepares for the arrival of her first child.

We wish Mrs Stafford all the best as she takes Long Service Leave for the duration of Term 3.

As the holidays approach I take this opportunity of thanking all who have contributed to the success of another busy term and I wish all who are able to take a break, a happy and safe holiday period. I look forward to welcoming all back in July to Founders term.

Local Census Jobs Available Now
Make a difference in your community and join Australia’s largest logistical peacetime operation – the 2016 Census of Population and Housing.

Census night is August 9, and the Australian Bureau of Statistics is right now looking for dedicated, enthusiastic self-starters to fill up to 6,900 Field Officer positions across Victoria. If you’re community minded and comfortable using a mobile or tablet device, the ABS wants to hear from you.

Field Officers play a critical role by visiting households and ensuring everyone makes the Census count. They’ll also earn around $21 an hour and enjoy flexible, part-time work hours for up to 3 months. To do the job you’ll need to be a good communicator, reasonably fit, licensed to drive and able to travel and work independently.

To apply or find more information, visit www.abs.gov.au/careers

Year 12 students Winter Sleepout
This year’s Loyola Year 12 Winter Sleepout was again well supported. Over 45 students and staff participated directly with most of the remaining cohort sponsoring one of the ‘sleepers’. The purpose of the sleep out is to raise awareness of homelessness in Melbourne.

The night started with a visit to Ozanam House, a crisis accommodation centre run by the Saint Vincent De Paul Society. This centre was originally established in 1953 as a North Melbourne night shelter. Men would check in each evening, be allocated a room, given an evening meal and breakfast and then fend for themselves for the rest of the day. A check of the records revealed that for some men Ozanam House had been their principal residence for up to thirty years.

In the mid-nineties this model changed. Now the residents live there for up to three months are allocated a case-worker and have access to many other support services to assist them in gaining a better lifestyle.

The kitchens at Ozanam House provide up to 2,500 meals a week including support for a nearby day centre. Ozanam House has a library, computer room, organises fortnightly excursions, a strong volunteer program and over 200 specialist drug, alcohol, mental health, housing and counselling services.

Louise Augustinus, the volunteer co-ordinator at Ozanam House, spoke to our students about the issue of homelessness and accepted the 50 or so sponsorship bags containing winter clothing, food, men’s toiletries and money. Louise also flagged the development plans that St Vincent De Paul has for Ozanam house to bring it more in line with 21st Century best practices.

Next stop was the soup van kitchen in North Melbourne where food is prepared for the 365 day a year nightly runs. Br Doug Walsh, the volunteer co-ordinator of these soup vans, demonstrated how they operate and told the students many anecdotes about the difference the work of the volunteers made to the lives of some of Melbourne’s most vulnerable people.

One myth that was busted on the night was the stereotype of the old homeless alcoholic making up the majority of the homeless. Most are under thirty, both male and female and from a diverse range of ethnic and socio-economic backgrounds. They are on the streets for a range of reasons including unemployment, family breakdown, mental health and other health issues, drug and alcohol dependency and in many cases, just unfortunate circumstances.

Lentil as Anything
The students had their dinner at ‘Lentil as Anything’ in Abbotsford. This is a vegetarian restaurant where there are no prices and people are invited to pay what they can afford or what they think the meal is worth.

This bountiful philosophy not only provides healthy fare to those in need, but it also brings together an eclectic mix of people to share food, music and conversation. Our Loyola students certainly enjoyed the experience.

Year 12 Reflection Day
On Friday 10 June our Year Twelves participated in a reflection day on ‘Reflection gives direction for others’ conducted by Loyola staff and featuring visiting speakers and performers.

The day was scheduled at the start of their final semester to provide an opportunity for the students to take stock of the year, assess their current situation and identify factors and behaviour patterns that have helped or hindered their progress.

Preliminary sessions prior to the reflection day focused the students thinking about the type of person they would like to be through a reflection on their core values and characteristics and how they live these. This fitted with the College’s ‘Positive Psychology through an Ignatian Lens’ program. Students were encouraged to explore strategies to build on the strengths they have to assist them in making Year Twelve a more successful and fulfilling time.

The Year 12 June Reflection Day follows on from the 3-day March retreat. Hence students had the opportunity to reconnect with their retreat groups, discuss issues that are important to them and participate in a companion walk.

After lunch the students participated in an hour of recreational activities and then finished the day with Mass celebrated by Fr Gerry Healy SJ, one of our College Chaplains. Fr Gerry also celebrated mass for the Year 12 students at the

Youth Ministry at St Damian’s Parish
Loyola College offers students many opportunities to be active in assisting our local community through the various fundraisers and religious groups available at the college.

On Sunday May 30, a group of 7 students attended the St. Damian’s Parish Sausage Sizzle. It was great to see Loyola students assisting their local parish.

The students enjoyed this experience and mentioned that they felt a sense of community.

Below is a reflection from one of the students who attended.

FROM YEAR 11 YOUTH MINISTRY STUDENT

Adrian Alonso (11 MMCB)

On Sunday May 30 Sister Nelia, my fellow youth ministry classmates and I, attended a sausage sizzle at our local St. Damian’s parish.

The aim of the event was to raise money for the church fund to go towards further youth ministry activities. The fundraiser was great, getting involved in our local parish with our classmates and members of the church like the priests and Nun’s from the parish area. During the fundraiser the atmosphere was great, everyone was so giving and generous, it was amazing to be a part of.

The value of being connected with the parish is extremely useful, being involved with the members of the church community promotes us to spread the word to young members of the catholic community to get involved in their parish more regularly. The lord promotes a sense of giving in our hearts, giving our time to the lord is extremely sacred and something that should be done more often by younger members of the Catholic community.

In conclusion, the weekend was a success. It prompted a sense of togetherness with the parish community and the youth ministry students.

Birthdays

LOYOLA COLLEGE
A Catholic co-educational College in the Ignatian tradition

IT'S SHOWTIME!

LOYOLA PERFORMING ARTS CENTRE

Ladies and gentlemen, we invite you to sponsor a seat in our new Performing Arts Centre.

Join other members of the school community and commemorate your connection to Loyola College in the name of your family, your son or daughter, your business or in memory of a loved one.

When you sponsor a seat in the Performing Arts Centre, your support will be recognized for the lifetime of the College, with a plaque carrying your name and taking pride of place on a seat.

This fully tax deductible gift of $500 will have a seat in situ for generations of Loyola College students.

Funds raised from seat sponsorship will ensure that the new building is fully equipped with all necessary resources. This purpose-built facility will feature tiered seating for 500 and state of the art audiovisual facilities.

The whole community is invited to be a part of this momentous project.
Construction is due for completion in September 2016 and there are limited seats available, so don't delay!

For information contact Denise Chang-Faux at changfauxd@loyola.vic.edu.au or 9433 0281

Facebook Page
As we mentioned in earlier Newsletters we have officially launched our Loyola College Facebook page. This is another avenue to communicate with our families. We will continue with all other avenues of communication so this is another wonderful way we can share our success, advise of upcoming events and communicate with our parents, students, staff, ex-staff and ex-students.

Amazingly the page has already had almost 900 likes with a weekly post engagement of around 15,000. We have received wonderful feedback about our page. Please join us on facebook by using our Loyola College Watsonia Link which is www.facebook.com/loyolacollegecatholic.

Guidelines for Use of Photographic Images
This is an important reminder of the use of student photographic images at our College.

At Loyola College we celebrate the efforts of our students by recognising their involvement in College events and their achievements in the Ignatian and on social media such as Facebook and Instagram including occasions where photographs of students are included. We also use photographs of students and on occasions examples of student work in our annual magazine entitled the Conversation, our College website and in our ex-students (LEXSA) journal the Companion. As a general practice only group photographs are published with limited information about the individuals involved. At different times of the year we also invite local press to College events and they are required to adhere to the College policy on the publication of photographs of students.

When a news item relates to an individual student’s achievement the College will seek written parental consent before passing information or photographs to the press for publication or for inclusion on the College website. Occasionally we are asked to provide stories and photographs of student success to the Catholic Education Office Melbourne. On these occasions written parental permission will always be sought. Please email me if you wish to discuss this any further.

FROM DEPUTY PRINCIPAL (TEACHING AND LEARNING)

Ms Suzanne Pola

Year 8 to 11 Examinations
Students will receive their Semester One examination papers next week. Please go over the paper with your child and discuss their areas of strength and areas for improvement in Semester Two. Students will also be asked to complete a self-reflection sheet about their examinations during their next Academic Companions session.

Year 10 and 11 Examination Resits
As previously published in The Ignatian, any Year 10 or 11 student who achieved below 50% on any examination will be required to resit that examination. These resits will take place on July 6, 7 and 8. Parents and guardians will receive a letter outlining the details if their child is required to resit any of the examinations. However, students will also be aware of their need for a resit when they receive their examination results. All oral or performance resits will take place on Friday 17 June (student free day) as the subject teacher needs to be present to mark the student’s presentation. As usual, we ask that you support this program.

Academic Conversations - Reporting and Assessment
At the end of Semester One, all parents and guardians will receive a Semester report for each subject that provides the summative assessment for the subject. Parents and guardians will be able to collect the Semester report and meet with their child’s Academic Companion on Thursday 14 July (3:45pm – 6:15pm) and Friday 15 July (12:00pm – 4:00pm). Therefore, Friday 15 July will be a student free day.

During the holidays, parents and guardians will receive a letter outlining the process, as well as a reminder on how to access the Parent Portal to book an interview time with your child’s Academic Companion.

2017 Digital Device Information Evening
Parents and guardians of 2017 Year 7 students are invited to attend an important Digital Device information evening on Tuesday 19 July from 7:00pm to 8:00pm in the Loyola Companions Hall. Parents and guardians will be able to collect the Digital Device information package in the foyer between 6:30pm and 6:55pm. The formal presentation will commence at 7:00pm. At this session, we will hear about the implementation process and how the Digital Device’s used to enhance our student learning outcomes. We look forward to meeting you at this event.

STUDENT OF THE FORTNIGHT

Joshua Page (7 KGCW)

Over the course of the first semester Josh has not only been a friendly face in the hallway of B Block, but has also been an asset to Mackillop House. He performed extremely well at the House Athletics Carnival and went into every event with great determination and persistence. Josh not only represented Mackillop but also represented Loyola College at the ACS Athletics Day.

We would like to congratulate Josh on his outstanding achievements in his first semester at Loyola, and encourage him to keep focused and working hard.

Well done Josh!!!

FROM THE STUDENTS

MacKillop House Captains
Ashlee Ramaekers (12 KFMM) & Mitchell Elzink (12 KMLE)

The first half of the year for MacKillop has been very successful. We began the year placing 2nd in the House Swimming Carnival, followed by placing 2nd in House Eisteddfod, and again 2nd in House Athletics. Including other events such as ACS Athletics, Public Speaking and Debating, there have been multiple students who have gone above and beyond, have performed extremely well and who have gone out of their comfort zone to support our house.

Without these enormous efforts and outstanding numbers of participation, success like this would not have occurred. We would both like to commend each student for their achievements and encourage everyone to keep striving for success.

Next term as a House we begin raising money for our charity ‘Mackillop Family Services’. We invite all students and their families to help support this rewarding charity by donating money in term 3.

We wish the best of luck to those who have already undertaken/still undertaking their Semester one exams and hope that you all have a safe and happy holidays, ready for another jam-packed term.

From the Christian Service’s Captain

Stephanie Santamaria (12 XMCU) & James Orsillo (12 AJRS)

The following is an inside report of the Christian Service activity - winter sleep out.

"It is Thursday June 9 and ourselves along with a number of Year 12 students are taking part in the Winter Sleepout. Our night thus far has consisted of visiting Oznam House where we dropped off our donations of clothes and toiletries which will be given to homeless men who seek support from the centre. Following this, we visited the St Vincent De Paul Soup Van Station and listened to a very insightful speech from a volunteer named Doug who shared many stories of the experiences he has had with befriending and supporting the homeless people in Melbourne. After a dinner at Lentils as Anything and a quick lolly stop at the supermarket we are now on our way back to Loyola where we will debrief and reflect before we roll out our sleeping bags in the courtyard and become immersed into the cold and uncomfortable reality of homelessness. We both feel extremely grateful to be able to experience this type of hardship in the company of our friends. We hope you get involved when you reach Year 11 and 12."

This edition produced by Ashlee Ramaekers (12 KFMM) & Mitchell Elzink (12 KMLE) of MacKillop House.
FROM HEAD OF HEALTH AND PHYSICAL EDUCATION

Mrs Melanie Paino
Direct Line: 9433 0214

Term 2 in Health and Physical Education

Once again this term has been a highly active one for students in Health and Physical Education.

Year 7’s have thrived in the Minor Games unit and have developed their teamwork and cooperation skills, with fierce competition in most lessons. Golden Child, Rainbow Road, skittles and Penguin softball have all been a hit!

Year 8’s have kicked, handballed and tackled their way through many cold sessions on the oval with considerable enthusiasm. Many goals have been scored and new skills learnt and other skills mastered.

At Year 9 students have participated in a sport selected by the class. This program focusses on heightening engagement and developing tactical awareness through a game sense model. Students have thoroughly enjoyed this approach and participation has been high. Please check with your son/daughter as to what sport their class choose and participated in.

At Year 10 and VCE, students have been busily completing their final assessment tasks for the semester and preparing for the exam period. This is a particularly busy and stressful time for these students and it has been encouraging to see the number of students seeking further clarification and support during this period.

We are looking forward to a busy semester two, especially with the Rio Olympics during term 3!

FROM HISTORY TEACHER

Mr Kieren Prowse
Direct Line: 9433 0239

WWII Survivor visits Year 11 History class

Members of Mr Prowse’s Year 11 History class were treated to a very special visit from WWII survivor Gene Verstraaten and his wife Marilyn. Gene who has recently celebrated his ninetieth birthday, delivered a PowerPoint presentation to the class of very interested students on his experiences of WWII. Despite suffering from some ill health in the couple of weeks prior to the visit, Gene spoke very clearly and very passionately about his experiences as a young Dutch boy in Rotterdam through Nazi German invasion and occupation.

Gene had only just celebrated his fourteenth birthday and was then a young boy at boarding school in Rotterdam in 1940 when German planes and paratroopers littered the sky and when on land, engaged in fierce hand to hand street fighting with the Dutch special forces. Such was the surprise and the spectacle of the invasion that Gene and his friends missed school that day and went down to the wharf and observed some of the fiercest battles between German and Dutch troops. Shortly after his fifteenth birthday, Gene was conscripted into a German Labour Camp and spent the next 2 years building fences, fixing roads and bridges and creating tank traps before the American and Canadian troops swept through in early 1945 following their successful invasion of France on D-Day (June 6, 1944).

Gene’s stories of passive resistance to the Nazi work he was forced to do had the class very entertained! Gene’s visit was punctuated with the many artefacts that he had collected during WWII. The class was very sombre when Gene described the very many near misses he was fortunate enough to survive and the friends that were close to Gene who were killed as a result of the conflict. A particular touching story involved a close family relative being conscripted around the same time as Gene but this family member was forced against his will to a German munitions factory in Germany itself. He was rounded up and sent to an extermination camp towards the end of the war and was never seen of again.

Mr Prowse’s Year 11 20th Century history class would like to take this opportunity to thank Gene and his wife Marilyn, for all the effort and trouble they went to, to ensure that our next generation of adults were able to hear first-hand the destruction, senselessness and fear that war brings to unsuspecting civilians. The students were incredibly engaged and were able to resonate with all the material being delivered following their most recent assessment which focused on the impact that Nazi Germany had on the social lives of those in Germany or the German occupied territories between 1933 and 1945.

ICT News

Sex chat important in an online world

Once upon a time young boys and girls learned how to behave as young men and women from their parents, as well as grandparents and other significant adults in their lives.

In this age of sexting, social media and online porn, that ‘conversation’ is long preceded, if it happens at all, by exposure via the Internet to violent and explicit pornographic material. The mass media also plays a part in the increasing sexualisation of teenagers and in fostering society’s encouragement of instant gratification.

More so now than ever before fathers need to connect with their sons and mothers with their daughters; to talk, listen, and share experiences. These conversations would allow adolescents to have that ‘me-too moment’, which empowers them to look forward to adulthood knowing that feelings such as anxiety and confusion are a natural part of that journey.

If sexuality is meant to be about sensitivity and trust, not performance, image or comparisons, then teenagers are not going to learn that from the Internet or from mass media. Instead, who else but from the significant father and mother figures in their lives.

Have that conversation. Live that conversation. Parents/guardians should be vigilant in not allowing children to have unsupervised access to the Internet – not in their bedrooms, not with the door closed, but instead in a shared space. Don’t let the Internet dictate your child’s ‘sex chat’.

Band Camp 2016

On 26 May 2016 students from all year levels loaded all the music equipment onto a bus headed for Ferngully lodge in Healesville. We arrived in heavy rain but this did not dampen the spirits, the gear was quickly set up and rehearsal got under way. Band camp is an essential part of the music curriculum as it gives us three days of focused, uninterrupted rehearsals in preparation for the years concerts and Victorian Schools Bands Festival. I would like to thank the students for their hard work and the staff for their directing of the ensembles and the student supervision they provided when not directing.

Below is a reports on the camp form this year’s music captain Grace Glennen.

**FROM MUSIC CAPTAIN**

Grace Glennen (12 MMBM)

On May 26 all members of Symphonic Band, Concert Band, Strings ensemble and both rock bands headed off to FernGully lodge in Healesville for our annual band camp. Here we are given the opportunity to put in a significant number of hours of practice in preparation for the close approaching bands fest as well as forming close connections with other Loyola Music students.

Like every year, band camp 2016 was a great success! We departed Loyola College on the Thursday morning and everyone was eager to get rehearsing on their arrival. Although the evident new skills acquired from the countless hours of practice leave each and every music student with a renewed appreciation of their instrument, the bonding as a music department I’m certain would be everyone’s favourite aspect of the camp itself. On the Thursday night we were treated to one of Mr Murmane’s famous Trivia and Karaoke
nights in which I’m sure everyone thoroughly enjoyed watching Mr Murnane demonstrate his undeniable talent with some Black Eyed Peas tunes.

On the Friday we kicked on with the rehearsals and really focused on perfecting our pieces for the Victorian Schools Music Festival. Sympho and concert band were treated with the opportunity to rehearse with Denton Thomas, former Loyola instrumental teacher and Doctor of Music with Trombone. Sympho’s improvement after rehearsing with Denton was undeniable as he managed to bring out the best in all of us individually. After a long day of rehearsal everyone enjoyed being able to relax and watch a film in the annual band camp movie night and I think everyone agreed it was a great way to end the camp.

On the Saturday we had two final rehearsals before departing for Loyola College. Overall Band camp was once again an amazing experience and the benefits it had on every single musician were evident.

XAVIER HOUSE MENTOR TEACHER

Mr Mark Cuddon

Year 9 Personal Development
During Year 9 Personal Development program the boys have been involved with a program of inspiration and achievement. The speaker has been Mark Squirrell (Squiz) who has taken the group on a journey ranging from climbing Mt Everest, to being a commando to supporting United Nations Food Aid programs.

The purpose was for the students to see that you can achieve your dreams and for them to discover pathways to achieve this. Students said ‘I enjoyed the stories’. Fabian Mueller said ‘He had a lot of knowledge when it comes to war, peace, strength and courage and he certainly motivated me to do extraordinary things’. We look forward to hearing more as the Year 9 girls will begin the journey in the next Personal Development session.

Co-Curriculum Reports
On the front of the report that families will receive early next term, there will be a list of Co-Curriculum activities that your child participated in. You will notice however a change to previous years with each activity having a points score next to it. This is our new college involvement and representation points system and is a great way for students to track their participation in our Co-Curricular program.

College Involvement points are for activities that run internally at the school and generally don’t have a public presence (e.g. Fitness Club, House Debating).

College Representation points are for activities where the students publicly represent the college (e.g. ACS Sport, College Musical)

Students are asked to accumulate 50 points over 2 years using their tally from both categories. Weekly ACS Sport generally counts for 20 points per year so for many students they only need to be involved in one other activity. Please note that LCS sport is not counted towards college points as the students only participate during class time.

A copy of the points allocation is located in the Co-Curriculum Handbook which is located on the college website.

Thankyou
Thanks to everyone for their support during this term as I have filled in for Mrs Jacinta Lawrence. Mrs. Lawrence will be back next term after some well earnt Long Service Leave.

College Morning Tour
The next Monday Morning Tour will be held on Monday 25 July from 9:15 am – 11:00am. Bookings are essential via my contact details. The tour will include Morning Tea with our Principal, Mr Joseph Favrin.

Grandparent Morning Tea – Friday 22 July
Thank you to all the families who booked their tickets for the very popular events. 200 tickets booked within 12 hours, this is a beautiful reflection on the sense of community at Loyola College. Having so many grandparents wanting to be part of their grandchildren’s education is such a great testimony to all.

All students attending must be dressed in full school uniform.

Please remind grandparents to bring the tickets issued from try booking as they will be required on the day.

Please ensure that if you are unable to make the event that you send me a notification as there are many families on the waiting list.

Parking Concerns – Friendly reminder
Attention Parents
Loyola College has received a number of complaints from nearby residents in regards to some Loyola parents who are causing parking issues in the streets around the College.

Castlereagh Place – Residents are very upset with parents who park in the drive ways and nature strips and wait for their child to arrive. This is not appropriate and residents have notified the Council. In some instances, a photo of your car will be taken and a fine of $91.00 will be sent to you via mail.

Please park in permitted areas.

Sharpes Road – Please do not stop at the intersection to let your children out, this causes traffic delays and is extremely dangerous. The safety of students and other road users is of the utmost importance.

Please park in the side streets to allow your child to get out of the car safely.

Common Courtesy
Due to the building of our new Performing Art Centre an increase in the amount of cars in Bungay Street is unavoidable. I do ask all parents dropping their children to show courtesy to other drivers by stopping in legally allocated parking spots. Dropping your child off at the gate is not only illegal, it also causes congestion and frustration to other drivers. Please show common courtesy to others by giving way to other cars to ensure that there is a smooth flow of traffic, particularly in the morning.

Your understanding on the importance of these matters is appreciated.

International House & Manresa Cottage
Are you moving house, renovating or expecting overseas guests and need somewhere to stay well …
Just inside Gate 4, on the corner of Bungay and Kenmare Streets sits our International House which is used for accommodation on a short term basis for both overseas visitors and members of our school and local community. Behind the Old Loyola building in the south western corner of the property, sits a quaint little Cottage that we also rent out. These rentals are ideal for family members or friends who
have to attend a function or appointment in Melbourne and require an overnight stay or longer at a very reasonable price. Some of our families have extended family who live interstate and rent the cottage on a regular basis when paying a visit to Melbourne for 1 or 2 weeks. Loyola’s close proximity to shops and the train makes it ideal to be independent and yet close to relatives as well. Anyone interested in learning more should access www.loyola.vic.edu.au/information/accomodation. Or contact myself either by phone or email.

Working Bee
Our next working bee is on Saturday, 23rd July commencing at 9 am. Please lock the date in your diary, many hands, make light work! A great opportunity to meet others and to continue the amazing work needed to maintain the beautiful surroundings of Loyola College. It is such a pleasure taking prospective families on tours and seeing the smile of their faces as they are in awe of the very welcoming environment.

LPFA Fundraiser – Entertainment Books
This year the LPFA are fundraising by selling Entertainment Books or Digital Memberships. 20% of every sale will go towards the state of the art facilities in the new Performing Arts Centre. Books are available at Loyola reception, or, purchase a digital membership by logging onto www.entbook.com.au/187x238 This will give your digital Membership that you carry with you on your phone at all times! Have access to ALL your vouchers in your pocket. Amazing value with up to $22,000 worth of savings for just $65.00. Support the school and get yourself fabulous discounts on food, entertainment, hotels, flights and shopping!

The brand new Entertainment™ Digital Membership puts all of the value of the Entertainment™ Book into your Apple or Android device, and allows you to:
- Just show your phone to redeem hundreds of valuable offers from restaurants, café, attractions and more!
- Search for businesses near to you, and preview their offer
- Search for specific businesses by name, location or dining category
- Access your Membership on the devices of your partner and children
- Keep track of your savings as you use your Digital Membership

It is that easy!

**Loyola Cycling Club**

The Loyola Cycling Club is up and running, I mean cycling, again this year.

On Sunday 15 May 10 Students road to the city along the Yarra Trail. This is a 30 km trail along the Yarra River riding through Fairfield, Abbotsford, Richmond, Hawthorn and South Yarra.

After having lunch at Federation Square we rode around the MCG and visited the statues of famous Australian sportspeople before boarding the train back home.

The Loyola Cycling Club’s next ride will be around the Docklands, Port Melbourne, St Kilda, Elwood, around Albert Park Lake, Botanical Gardens and the Shrine early next term. If interested send Mr Miller an email to express your interest. Happy Cycling!
Youth Leadership Programme

Are you aged 13 – 17
An Australian Citizen, or have a permanent resident visa.
Be part of a team and gain team building skills
Develop leadership and survival skills
Make new friends and have fun
Experience challenges
Learn to take responsibility
Take part in physical education activities.

Learn about:
Aviation
Leadership
Self-discipline
Safe firearms handling
Fieldcraft
First aid
Drill and ceremonial
Communications and navigation skills

Activities Include:
Powered Flying
Gliding
Bivouac – Fieldcraft / Survival
Visits to Air Force Bases
Adventure Training and More

Where: Simpson Barracks
When: Friday Nights during school terms
Queries: admino.402sqn@aafc.org.au
Information Night for the next intake: 15 July 2016.
