Dear Members of the Loyola College Community,

Welcome to Founder’s term. I hope that the holiday period has enabled time to rest and prepare for the demands and challenges of the second semester.

You will recall that 2 years ago year I visited the Holy Land. As a result of that visit I organised a program with the University of Bethlehem to host some student teachers as interns for a month. The second group of interns arrived last week and we welcome: Ms Shqair, Mrs Nazzal, and Ms Mousa. We hope that their time with us will be enjoyable and rewarding.

The return to school has gone well and we welcome five exchange students from Italy who will be with us for Terms 3 and 4. They are: Eleonora Benedeito (10 KFMM), Veronika Farkas (10 CPJK), Isotta Marini (10 MMBM), Camilla Marsigli (10 CLHO) and Giulia Simeoni (10 ARMH).

It is wonderful to have this ongoing international presence in our community and I hope all these young people will find Loyola a welcoming community and enjoy their time with us.

Congratulations
At the end of last term the two Presentation Balls involving our Year 11 students took place. I wish to congratulate the 90 students who were presented over the two evenings. They were wonderful evenings with many families and friends present to celebrate.

I thank our wonderful Presentation Ball Committee comprising: Ball Coordinator: Joy Trigg. Committee Members – Raelene Herlihy, Shelley Daisley, Jo-anne McCaig, Lisa Sulyok, Tracy Cahill, Sarah Herlihy (L: 10-15) and Maeskye Trigg (L: 07-12).

We are indeed fortunate to have such generous parents and past students committing to the organisation of such a major school event.

East Timor Immersion
Santo Inacio de Loiola is a new Jesuit secondary school founded in 2013 at Kasait. Every year the JACSA schools (Jesuit and Companion schools Australia) send student representatives on a joint immersion program to Timor Leste. We welcome back our Loyola representatives: Ms Hussey, Mrs Crowe, Thomas Kelly (11 CTFO) and Janine Mercado (11 ARAS) who participated in this immersion.
and look forward to hearing of their experiences.

Loyola Olympic Athlete
We congratulate former student Monica Brennan (L: 06-11) on being selected to compete for Australia in the Olympic Games in Rio later this year. Monica will compete in the 4x 400metre relay. This is an outstanding achievement and we wish her every success in the games. Monica has 4 siblings currently at Loyola Rosemary (12 CLHO), Patrick (11 CMDA), Dominic (9 CJSI) and Matthew (7 CDAM). We celebrate this great achievement with the Brennan family.

Staffing Matters
We welcome four staff members to the College this term:

Mrs Stringer who will be the new Head of Student Services.
Ms Anthony who will be one of the College Psychologists.
Ms Klepper and Ms Pupi have been appointed to the positions of French and Italian Language Assistants for Semester 2.
We wish them well as they join our Loyola community.

We welcome back Mrs Smith from maternity leave as she resumes the role of Head of Visual Arts. We farewell and thank Ms Bishop who is concluding her time with us this week.

College Feast Day
This key event in the school calendar will be held on Friday 29 July. This is a day that our whole school community looks forward to annually. This year Father Robin Koning SJ (Socius to the Provincial) will be our Principal Celebrant together with other concelebrating priests from our parishes. We look forward to a great day. I hope that by now all students have many sponsors for their House charities which rely heavily for financial assistance from our Loyola community. We will provide a full report on the day in our next edition of the Ignatian.

Transition Program
Through the Personal Development program this term student’s will shortly be asked to commence making decisions about their subjects for 2017. It is important that parents and guardians become involved in this process to ensure that informed decisions are made for the benefit of each student. Families will have by now received the Re-Enrolment Package for 2017. I ask that all closing deadlines be adhered to in order to assist our planning for next year.

Academic Conversations
These were held last week and were very well attended by families. We do have 350 reports yet to be collected. The Academic Companion will be in touch this week to arrange a meeting time. It is essential that this meeting take place so that there can be some reflection about progress made in the first half of this year as well consideration being given as to how ongoing improvements can be made.

In the coming weeks may our College patron Ignatius guide us in our decisions and accompany us in our living out of our College theme: Accompany, Serve, Praise. May we be inspired by his example to go out to serve those around us who need our support putting to good use those gifts and talents that God has given to us.

LOYOLA COLLEGE

A Catholic co-educational College in the Ignatian tradition
Loyola World Youth Day Pilgrims

Five members of the Loyola Community are attending World Youth Day 2016, in Krakow, Poland. Students Aidan Hoyne, Aoife Whelan and Peter O'Farrell will be joined by staff members Miss Theresa Chamoun and Sr Nelia Llanto sjbp. Our thoughts and prayers are with them.

World Youth Day (WYD) was founded by Pope St John Paul II in 1984, and in its international form, has been held in Argentina, Spain, Poland, USA, Philippines, France, Italy, Canada, Germany, Australia and Brazil.

It has drawn millions of young pilgrims in joyous meetings of faith, hope and solidarity. The Church needs to be continuously renewed and the young people who attend remind all that they have a vital, rich and energising role to play as they encounter the message of Jesus Christ in the context of their time.

Krakow is of special significance to WYD as it is this city that St John Paul II was Archbishop before his election to the papacy.

In this Jubilee Year of Mercy, Krakow has been declared the ‘City of Mercy’. Pope Francis will meet young pilgrims seeking a personal transformation in the spirit of mercy.

Australian pilgrims’ prayer

God of mercy, transform me,
that my eyes may be merciful,
that I may marvel at the beauty of my neighbour’s heart.
Transform me, O God,
that my ears may be merciful,
that I may be attentive to those in need.
Transform me, O God,
that my tongue may be merciful,
that all I proclaim is in love and peace.
Transform me, O God,
that my hands may be merciful,
that I use them to serve my neighbour.
Transform me, O God,
that my feet may be merciful,
that my pilgrim journey leads me to compassion.
Transform me, O God,
that my heart may be merciful,
ever open to the joy of your presence.
May Your mercy, O God,
rest upon me and transform me into Yourself,
for You are my all.
We ask this through Christ, our Lord.
Amen
St Mary of the Cross MacKillop, pray for us.

Term 2 Parish Holiday Programs

During the term 2 holidays, the Loyola Youth Ministry Office organised school holiday programs at St Thomas’, St Damian’s and St Mary’s parishes. The programs were a great success, with 70 primary school children attending across the three parishes. Students from Loyola College, parents and young adults from St Francis’ Life Teen assisted in the running of the day, facilitating games and working one-on-one with the children.

The program consisted of a mini-retreat centred on the Jubilee Year of Mercy. Each day was animated by games, music, small group discussion, dramas, craft activities and reflection. Firstly, we considered God’s endless mercy and love for us. We also answered the question, “What does my heart beat for?” - decorating a heart shape with all the things and people that we love and care for. Afterwards, we considered the people who we could be more loving and merciful towards, such as the sick, elderly, and people who are outcast. We discussed small acts of love that we could insert into our everyday lives, such as giving the last piece of dessert to someone else or doing extra chores for our parents. We then ‘re-examined’ our heart, adding all the new ways we aspire to love one another.

My thanks to St Damian’s, St Thomas’ and St Mary’s parishes for hosting the school holiday retreat program, all

“On July 07, I attended a School Holiday Program at St Damian’s. It was fun and I had a good time with my friends. We started the day at Mass with Father Vincent. During the day we sang songs, played ball games, and other games. It was great that St Damian's Parish and Loyola College held this day.”

Mikayla Parisot- Grade 4, St Damian’s Parish.

“I liked that we got to have pizza for lunch! It was also good that we started with Mass because it was a special day and it is good to celebrate at Mass. We learnt about the story of The Prodigal Son by watching a video and we also learnt about Blessed Pier Giorgio. I really liked the day.”

Francis MacDonald- Grade 2, St Mary’s Parish.

“We started the day with a Mass at St Damian’s Parish. The rest of our day involved many fun activities and learning about the Year of Mercy. It was great to be involved in such a fun program.”

St Ignatius Day
As we commence Founders term our attention turns to St Ignatius Day. This is an extremely important day for us and we look forward to celebrating it as a College Community.

Our day commences with a Full College Mass and this is followed with a walkathon where our students walk in the footsteps of St Ignatius. This walkathon is where we raise much needed funds for our charities. Lunch is then provided by the LPFA which we greatly appreciate. Students with special dietary requirements are asked to notify me immediately so that appropriate arrangements can be made. During the afternoon the students take part in lots of fun activities including rides, amusements and our wonderful talent quest. We look forward to an Amazing Day.

St Ignatius Day Walkathon
All students have received letters explaining Saint Ignatius Day. It is important that these permission slips are returned to Heads of House. Staff members will accompany the students on the walkathon and there will be supervised checkpoints and First Aid stations, providing assistance along the designated route.

As with all our special events, this day is compulsory for all students and non-attendance can only be excused by a doctor’s certificate presented to Head of House by 8:30am on Monday 01 August.

All students are encouraged to wear suitable walking shoes for the walkathon.

Normal College expectations and consequences apply on this day regarding student behaviour and consequently the use of electronic devices or mobile telephones throughout the day is not permitted. Students will be dismissed from the College at 3.00pm. Any student who is not able to complete the walk due to medical reasons is to notify me on simpsons@loyola.vic.edu.au

St Ignatius Day Fundraising
As in previous years students are encouraged to obtain a minimum of $20.00 in sponsorship by approaching family members, neighbours and local businesses which would only require 4 sponsorships of $5 each or 10 sponsorships of $2 each.

The sponsorship form was attached to the letter that was sent and students are asked to return the completed form with all money collected to their Mentor Teacher no later than Friday 19 August (three weeks after our celebration). There is an expectation that all students would collect some funds in support of their House Charity. There are wonderful prizes for the student who raises the most money.

This money goes to our House Charities and they rely heavily on our donations. Our aim is to raise $45,000 which would be the most we have ever raised in one year. Let’s do all we can to support our wonderful charities.
There are a number of ways in which we formally celebrate academic success. The first way is through our Merit system of acknowledgement. Merit awards are given to Year 7 to 11 students who perform at a high level. Awards are based on the student’s overall result for each subject. A student will receive a Gold merit award if they have achieved an overall subject result of A or A+. A student will receive a Silver merit award if they have achieved an overall subject result of B or B+. Students who meet these criteria receive a Merit certificate listing the subjects and awards. This certificate is part of the Reporting package and parents/guardians would have received it at our recent Parent Student Teacher Interviews.

Each semester we also acknowledge Year 7 to 11 students who have received a certain number of Silver or Gold Merits in the Ignatian. If a parent or guardian would prefer that their child’s name was not published in the Ignatian, they should inform Reception of this.

The second way in which we celebrate academic success is to acknowledge the Year 7 to 11 students who have achieved the highest number of Gold Merits in their year level in each semester. We acknowledge Year 7 and 8 students who have achieved 9 or 10 Gold Merits out of a possible 10 subjects, at Year 9, students who have achieved 8 or 9 Gold Merits out of a possible 9 subjects, at Year 10 who have achieved 7 or 8 Gold Merits out of a possible 8 subjects, and at Year 11, students who have achieved 6 or 7 Gold Merits out of a possible 7 subjects. These students receive a Principal’s Certificate at a Full School Assembly.

The third way is at our annual Awards Evening at the end of the year where we present Academic Colours. Year 7 to 11 students who are in the top 5% of their year level based on the culmination of all Semester One and Two subjects are presented an academic plaque and Academic Colour.

And finally, we acknowledge the academic achievements of our Year 12 students in a number of ways. Students who achieve a study score over 40 (this may also include Year 11 students) and who achieve an ATAR over 90 are recognized in the Ignatian and in the special VCE lift out. Year 12 students who achieve over 90 are also awarded an Academic Colour and plaque.

In the next edition of the Ignatian we will publish the list of Semester One Merit recipients.

**Transition 2017**

A reminder that the Senior Information Evening for parents/guardians and students, will be held on Wednesday 03 August, 6:00pm to 8:00pm in the Loyola Companions Hall. Parents are asked to book any of the Information sessions that they are interested in (General Year 10 and Year 11 sessions, Pre V session and the VCAL session).

Parents will be receiving their re-enrolment package soon with a letter that outlines the evening, as well as other important documents. It also outlines how Year 9 to 11 students and their parents are to select their 2017 subjects online via the Web preferences website. If you have not received this package, please contact College Reception.

Year 9 to Year 11 students will receive their Senior Programs Handbook in upcoming PD sessions. If a student has not received a copy of their handbook, they should see Ms Staub or College Reception. Year 7 and 8 students will receive their handbook during PD sessions over the next two weeks.

Parents and guardians are always welcome to attend the Year 9 to 11 Transition Interviews. Each Year 9 to 11 student is involved in an interview with a senior member of staff looking at their 2017 subject choices. This year the student must bring their printed copy of their choices from the online process to the transition interview. If a parent or guardian wishes to attend this 5 to 10 minute interview, they need to fill in the form (in the re-enrolment package) and return it to College Reception. Please note that the time that the parent or guardian indicates on the form will be the set time.

Indonesian VCE Immersion
On Saturday July 16, the Loyola Year 12 Indonesian class made their way to the Indonesian Consulate in Albert Park for a VCE Immersion Day. It was a day dedicated to looking at ways of consolidating and improving their skills and knowledge of the Indonesian language.

The students joined many students from other schools around Victoria and participated in sessions on reading, writing, listening, speaking, the detailed study and vocabulary building. The students were guided by teachers with expertise in these areas and who also led them in activities that helped to build these particular skills. Though quite intensive, it was a great opportunity for students to refresh many previous tips as well as gain new insights into how to achieve their best in Indonesian. Certainly an important (and simple) tip is to practice speaking aloud every day – whether reading an article, practicing an oral or simply articulating vocabulary.

The students were treated to a delicious Indonesian lunch and enjoyed participating in fun activities including playing soccer in sarongs and some Indonesian traditional versions of egg and spoon races. Four of our students, Alex, Alana, Aisling and Micaela showed unexpected talents in these sports. It was a great mid-year boost to motivate and strengthen our knowledge and abilities in Indonesian.

ICT News
Managing your child’s screen time

Loyola College supports research findings recommending that parents/guardians be actively engaged in their child’s online world, not just their physical world.

The College acknowledges the following concerns that have been occasionally raised by parents/guardians:

- Digital devices provide a distraction from school related work, which is more difficult to police than text books
- Writing on a digital device promotes laziness in regards to handwriting, grammar, spell checking and simple calculations
- Long periods of screen time may lead to chronic eye strain and a gradual disconnect with the physical world.

Loyola College wishes to assure parents/guardians that its 1:1 digital devices program is supported by research findings which show that 1:1 improves the learning outcomes of students, particularly those of average and below average grades.

Where 1:1 detracts from student learning, it involves student use of a digital device in an unmanaged environment. The College has invested heavily in both ICT infrastructure, teacher professional learning and policies (including a Handwriting Policy) to provide a safe and effective learning environment for its students, and this effort is ongoing and evolving as necessity dictates.

Screen time is a combination of the use of many forms of technology, not just digital devices for learning. These include cellular phones, television and games consoles.

Loyola College strongly encourages and supports parental/guardian partnership in this endeavour, as it cannot

STUDENT OF THE FORTNIGHT

Jack Bonser (8 MAML)

Over the course of the first semester, Jack has been a very enthusiastic member of Mannix House. Performing extremely well in our Eisteddfod as well as getting involved in both swimming and athletics, Jack has done an outstanding job in representing Mannix House. Whether he’s walking down Mannix corridor with music playing or busting a move on Friday lunchtimes at the Magis club, Jack’s outgoing and vibrant personality never fails to bring a smile to the faces of Mannix House on a day to day basis.

We would like to congratulate Jack on his outstanding achievements in Semester One of 2016 and encourage him to continue to keep bringing the good vibes to Loyola.

Well done Jack!!!!

FROM THE STUDENTS

Giorgia Dal Santo (12 MGKK) & Jack O’Meara (12 MAML)

As the captains of Mannix, both of us are extremely proud of how Mannix has performed so far this year. At both the swimming and athletics carnivals, a positive attitude as well as significant involvement from students was displayed.

Eisteddfod has definitely been a highlight for Mannix this year placing third with our performance of ‘Rocky Horror’. This was an amazing achievement for our House and both of us are extremely proud of the hard work of all those involved. A big thank you to Mr Prowse, Miss Keating and Miss Seago for attending all the rehearsals and to all the students who rehearsed tirelessly to put it together.

During semester one, Mannix has raised money for our house charity the Brosnan Centre through our coin jar collection. We encourage everyone to continue donating throughout the year.

We hope everyone performed well in their Semester One exams and also had a safe and enjoyable holiday and are ready to tackle this new semester with a smile and a fantastic Mannix attitude!

manage the home learning environment; this responsibility rests exclusively with parents/guardians. The following strategies are recommended for parents/guardians:

- Casual supervision of a child’s use of their digital device in an open area of the home – never in a bedroom or behind closed doors
- Limiting the amount of time, a child spends on a digital device, both in one sitting and over the course of a day or evening. Encourage a child to regularly get up or go outside and engage with physical activities and friends or other members of the family
- In addition to the cost of eBooks, consideration to purchase the accompanying textbooks may also be given for use at home

For more information and recommendations for parents/guardians on helping a child get the most benefit out of the use of technology, the following resources are suggested (best viewed in Chrome):
