Dear Members of the Loyola College Community,

We are quickly approaching the end of the school year with the Year 11 and 12 students now having concluded their examinations as other year levels commence.

Meanwhile, transition classes in preparation for next year have also commenced for the senior students. During this time they will focus on courses for 2017 and start topics in each of their subjects. They will also be given holiday homework to complete in preparation for next year.

**Year 12 Graduation Dinner**

This event was held on Monday evening of this week at Melrose Receptions in Tullamarine. A very large number of staff, students, parents and guardians gathered to celebrate the end of secondary education for our Year 12 students. With the examinations now over our students were certainly in a festive mood and a wonderful evening was had by all. I wish to thank Mrs Staub, Programs Coordinator for Years 10-12 and Mrs Salmic, Deputy Principal – Students for overseeing the organisation of this event. The Year 12 students will receive their VCE results on Monday 12 December and again we wish them well for the future.

**Parent Thankyou Evening**

It was wonderful to see a large gathering of parents celebrating their involvement in another successful year at Loyola. There was a great buzz amongst the crowd as parents reflected on their friendships and joint efforts made to support the College this year. I take this opportunity of thanking all parents who have contributed to the life of the College this year and who have actively assisted in various capacities. I thank Mrs Alonso, our Community Liaison for overseeing the organisation of the evening.

I congratulate Mrs Pritchard our Canteen Manager and current Loyola parent on being made a Life Member of the LPFA. The presentation was made at the evening by Mrs Garth, the LPFA President. Mrs Pritchard has served the Loyola community as a parent giving generously of her time over many years and is a well-deserved recipient of this honour.

**Upcoming Events**

As this is the second last newsletter for the year, I encourage families to attend the upcoming events that will take us to the end of formal classes. These include the Twilight Market and Christmas Carols evening (Sunday 04 December) and the Annual Awards Evening (Tuesday 06 December). These are occasions at which we acknowledge the many achievements of our students and I look forward to meeting many of you, as together we celebrate the end of a successful 2016.

The final edition of the Ignatian will be posted home with the end of Semester 2 reports in mid-December.
This coming weekend the Church will celebrate the beginning of the Season of Advent, a time of preparation for the feast of Christmas, the birth of our Saviour. We sadly live in unsettling times and I believe that now more than ever we need to allow God to work in us all to restore peace and security for all communities.

Many have given up on God and see religion and a faith life as irrelevant. In doing so they have often not found a replacement from which to draw values, there is no moral compass guiding their decisions and they lead unhappy and shallow Godless lives. As Christians we look to the Christ Child born into this world to show us how to live and love in peace. We draw on the hope Christ brings to make sense of our lives. Let us spare a thought for the many families who have abandoned God. Where will they see the Christ Child, the Saviour that we are so fortunate to know and yet who so often we take for granted? What gifts have we to offer humanity and how will we share these with our brothers and sisters who do not know Christ?

In this Advent season may we look for those opportunities that allow others here and afar to see Christ present in us through our actions and prayers in His name.

What are you doing for Christmas?
This question is a good conversation starter at this time of year.

A non-Christian friend of mine tells me how much his family loves Christmas. A couple of days before December 25 they have their ‘traditional’ turkey meal and round of family present giving (the retail world ensures everyone remembers their ‘obligations’!). This early celebration leaves Christmas day free. Some of the family work, while the rest play golf at one of Melbourne’s finest sand-belt courses. The workers are happy because they get paid triple time and the golf is free as no-one mans this particular course on Christmas day. My friend looks forward to Christmas and thinks his family ‘does it’ really well – they get together and share each other’s company, have a nice meal, receive gifts and make/save money on the day.

For most people in our community, Christmas is a time of joy – the traditions, decorations, lights, trees, carols, gifts, fine food and drink, in fact, it is our society’s most anticipated event. Anticipation for any good thing we think is coming our way is wonderful for us. We feel a sense of excitement. We expect something nice will happen but don’t know the exact experience. Hence, we are drawn into a hopeful fantasy world. Children perhaps best illustrate this with their countdowns… only so many sleeps till Santa comes

The early Christians felt this way about the second coming of Jesus. They initially thought it was to be within a few months or maybe a year or two. However, when some started to die and Christ hadn’t reappeared, this sense of hopeful, indeed joyful anticipation was replaced by disappointment and, in some cases, dismay. This is apparent in early Church writings such as the Acts of the Apostles. St Luke and St Paul responded to these feelings of loss by encouraging the people to maintain hope and to use the period of waiting productively. They are not to just mark time but enjoy it by improving their lives in a spiritual sense.

This year the four advent gospels are all from St Matthew. Matthew’s gospel was composed for a mainly Jewish audience and often links Old Testament stories and prophesies to Jesus. This series is no exception. Matthew starts with talking of Noah and the flood and makes the point that people were going about their lives oblivious to the impending disaster. He exhorts people to change their ways and live good lives as: ‘So stay awake, because you do not know the day when your master is coming’ Mt 14:42

The following week we hear the theme of repentance and preparation reinforced by John the Baptist quoting Isaiah:

‘Repent, for the kingdom of heaven is close at hand.’ This was the man the prophet Isaiah spoke of when he said: A voice cries in the wilderness: Prepare a way for the Lord, make his paths straight. Mt 3:3

The last two weeks of Advent focus more on who Jesus is. John the Baptist asks Jesus himself – ‘Are you the one who is to come, or have we got to wait for someone else?’ Mt 11:3 and, in the fourth week, the Archangel Gabriel appears to Joseph and reassures him that he should take the pregnant Mary as his wife for she has a special role in God’s plan.

‘Joseph son of David, do not be afraid to take Mary home as your wife, because she has conceived what is in her by the Holy Spirit. She will give birth to a son and you must name him Jesus, because he is the one who is to save his people from their sins.’ Mt 1:20
Matthew again links Jesus to Old Testament prophesies ‘Joseph Son of David’. The Church season of Advent is a time of reflection with a purpose, a period of preparation for the imminent arrival of Christ. We need to be alert and honest about our lifestyle and priorities. We are encouraged to let go of and change those things such as selfishness, a hedonistic lifestyle or an almost exclusive pre-occupation with the day-to-day that prevents us from being truly alive.

We must use the time of Advent to build on our past experiences. It should be an opportunity for spiritual growth, not just a re-run of where we were at some stage in the past.

A good life is about finding and deepening positive experiences. We need to discern what they are for us and how best to achieve them.

Christmas can be a stressful time. Many feel under pressure to ‘do it well’ for the extended family. Maybe we could all just relax a little more and don’t worry too much if the turkey is a bit dry or someone forgot to bring the … or the meal is late. Instead, we need to be supportive of one another which isn’t just about not verbalising your judgemental thoughts but stilling the silent persistent internal critic by nurturing a personal orientation of what is really important about the day.

Communion and Dialogue in the Multicultural Context:
As we end the Year of Mercy in the last week of November, the following reflections sprung of how communion and dialogue favoured in the ministry of a liaison person. “Come to me all, all you that are weary and are carrying heavy burdens, and I will give you rest. Take my yoke upon you, and learn from me; for I am gentle and humble in heart, and you shall find rest for your souls” (Mt 11:28-29).

Being in the context of Loyola Home College Parish Liaison, the multicultural context is very much expressed in many ways and varied expressions both in formal and informal occasions and engagements. The wide-ranging background in nationalities, culture, backgrounds, ages of the school made each one attuned of the respect and awareness that each one should be treated in the spirit of inclusivity, openness and kindness. The following are some junctures that continuously unfold in the ministry as liaison.

- Visiting families is an effort to express care and compassion especially those in such vulnerable situations, assisting individuals struggling through difficult times especially in moments of loneliness, sickness and bereavements. This is an opportunity to network and liaise with families in need of support to churches or agencies that could alleviate their needs. This gives the elderly and sick encouragement and consolation by valuable presence and attentive listening.

- Diamond Valley Deanery Team: as liaison and working with the team in Diamond Valley Deanery, great experience of being informed with all embracing concerns of the wider church in both catholic and non-Catholic communities and institutions in welcoming those in need. Some activities are joining the interfaith programme of feeding the poor in the local area; give future support to the campaign of welcoming refugees who are coming in the area for better health, education and social services.

- Inter Faith Prayer/Station of the Cross: the catholic and Christian churches are hosting faith celebrations in praying together followed by informal encounters with each other in the prepared refreshment of the host church. This is a simple act of gathering and talking, eating and drinking of which each has a place of importance.

- Christian Service of Year 11 students: applying the learning of faith and actions, students are exposed in the different humanitarian agencies such as nursing homes, opportunity shops, disabilities and aged care, feeding the street people and many other activities. The mentoring and debriefing moments of listening to the student’s experiences are truly inspiring and overwhelming.

- Loyola College and JGSS Immersion Programme: the endeavoured recent encounter of both Australians and Pastorelle Sisters/Jesus Good Shepherd School in the experience of culture, faith, education and knowledge of each other is educational and enriching to all those involved, most specially the young people. The wider communities of Filipinos in Melbourne was also utilized in the College Cultural Night to assist the immersion students in their preparation the upcoming Philippines trip.

The above examples are truly a great source of happiness to minister the school communities, families and parishes in the mission of Jesus Good Shepherd of reaching out with mercy and love to his people. The Eucharistic celebrations of the different churches in the deanery are examples of holding the community together as God’s family despite of the differences of cultures, backgrounds and in many other ways

2016 Awards Evening Tuesday 06 December

All families are warmly invited to celebrate our students’ achievements at our Annual Awards Evening which will be held on Tuesday 06 December in the Loyola Companions Hall at 7:00pm. Letters have been sent to the families of Year 7 to 12 students who will receive an award on the evening. It is important that all award winners report to staff prior to 6:30pm upstairs in the Theatrette to register for the evening.

Year 9 City Experience

Year 9 City Experience presentations and reports were completed last week. It has been excellent to see the learnings that many of the groups were involved in. A special thanks to all the staff who participated in the week, and in particular Mr Michael Gowan, Ms Hope Do, Mr Dominic Denton, Mr Chris Lynch, the Year 9 Religious Education and Science teachers for their preparatory work.

Assessment Periods and return of examinations

As there is no formal opportunity for the return of examinations in Semester Two, students can collect their papers from their individual teachers. All papers will be kept until the second week of Term One 2017 and then any remaining papers will be destroyed.

Good luck to the Year 9 and 8 students who will commence their examinations on November 25 and December 1.

N Day (final submission of any late work to avoid an N)

A final reminder to all students who may not have completed and handed in assessment tasks that there is a final date which is referred to as ‘N day’. If a student does not submit work prior to this date they will not have met the requirements for that unit. The following N dates for each year are as follows:

Year 7: December 1

It is important for all students to complete work even if it is late, as the work may be part of the examination. It is also good practice to complete what is expected and students can still receive feedback about their standard of work.

Year 10 and 11 Semester Two Examination Results

The Year 10 and 11 Resit examinations will take place in the week of December 05 for any student who achieved below 50% for any Semester Two examination. If a student is hoping to change out of the subject, they will need to bring a permission note from home and meet with Ms Pola or Mrs Musgrove to see what subjects are available.

Students and parents will be notified of the Resit Examination schedule after the Orientation program, as examination results are not finalised until November 26. Therefore, I encourage Year 10 and 11 students to find out how they have performed in their Semester examinations from their subject teachers and if they have not achieved above 50%, to be proactive to ensure that they have either made appropriate
subject changes (at Year 11) or to prepare well for the Resit Examination.

Parents and guardians may contact Ms Staub, the Year 10 – 12 Student Programs Coordinator if further clarification is needed.

**CYOD for Year 11 and 12 students**
Please be advised that from 2017, Year 11 and 12 students are required to bring a Loyola College CYOD to school.

CYOD stands for ‘Choose Your Own Device’ from the list of recommended devices, which is as follows:

- **Windows Notebook Device**
  - Windows 7 or later
  - Core i3 Processor or greater
  - Minimum 4 GB Memory (RAM)
  - Wireless Network Card with ABGN (5 GHz)

- **Windows Tablet**
  - Windows Surface or Equivalent
  - 5 GHz Network Adapter
  - Minimum 4 GB Memory (RAM)

- **Apple Macbook or Macbook Air** (not recommended for Visual Arts students)
  - Apple OSX Mavericks or later
  - Core i3 Processor or greater
  - Minimum 4 GB Memory (RAM)
  - 2013 model or later
  - Apple iPad (not recommended for Visual Arts students)
  - Apple iPad 4, iPad Air, iPad Air 2
  - Apple iPad Pro
  - Minimum 32 GB storage

Note that Android devices are not supported on the College’s ICT infrastructure.

These devices will have access to the Internet, webmail and Companion Learning (LMS), and therefore students will be able to submit homework/assessments to their teachers via the LMS. Students will also be able to print, following authentication, as well as access work from and save work to their H: network drives from their Drives tab on the LMS.

Please be advised of the following limitations and recommendations:

- **Anti-Virus:** For a Windows device, Loyola College’s antivirus software will need to be installed in order to protect the device from being infected with viruses, malware, trojans, etc. The anti-virus software will form part of the College’s new Systems Software bundle (see below for details), which will need to be installed on every student device.

- **Warranty/Care:** It is highly recommended that the device is maintained under warranty and that consideration is also given to protecting the device from physical damage.

- **Support:** Please bear in mind that as the device is parent owned, Loyola College is not responsible for diagnosing hardware issues with the device, repairing the device or replacing the device should it be lost or destroyed.

Please also be advised that the following Systems Software bundle will need to be installed on every CYOD:

- InTune Mobile Device Management
- Webroot/Kaspersky anti-virus
- Microsoft Office 365
- Adobe Create Cloud (available not before April 2017, as this offer is tied to a Victorian Catholic school wide agreement)

There will be an annual licensing cost for the Systems Software bundle, which will be confirmed early in 2017, but will be up to $105.00 depending on the type of device.

Attention – Twilight Market Stall Holders Needed

Are you creative? Or do you know someone is creative? Well here is an opportunity to sell your goods at our upcoming Twilight Market on Sunday, 04 December. The cost of the stall is $30.00. A great time to sell items for Christmas gifts.

If you are interested in having a stall please contact myself or Salwa (LPFA President) at liveharmony@yahoo.com.au or on 0458 468 676

We look forward to seeing you all the Twilight Market followed by Carols. Information and application forms are in the Ignatian.
Homestays needed for 2017
For several years we have been able to accept students from Malpighi High School in Bologna, Italy for 1 or 2 terms. In 2017 we can offer students in Year 10 or 11 a place for Term 3 only or Term 3 and Term 4 providing there are families who are willing to look after these students whilst they are here. The students who have been a part of this program have returned home with glowing tales of a wonderful experience at both school and home level. As a consequence other students from their school are keen to travel to this far off country and see how life is in a typical Australian school and family. Accommodation expenses are paid to the Homestay family according to whether the student has a room to his/herself ($220) or shares a room ($200). To find out what is involved in being a Homestay family please contact me before the end of this month as preparations will take some time.

LOYOLA COLLEGE
A Catholic co-educational College in the Ignatian tradition

IT'S SHOWTIME!

LOYOLA PERFORMING ARTS CENTRE

Ladies and gentlemen, we invite you to sponsor a seat in our new Performing Arts Centre.

Join other members of the school community and commemorate your connection to Loyola College in the name of your family, your son or daughter, your business or in memory of a loved one.

When you sponsor a seat in the Performing Arts Centre, your support will be recognized for the lifetime of the College, with a plaque carrying your name and taking pride of place on a seat.

This fully tax deductible gift of $500 will have a seat in situ for generations of Loyola College students.

Funds raised from seat sponsorship will ensure that the new building is fully equipped with all necessary resources. This purpose-built facility will feature tiered seating for 500 and state of the art audiovisual facilities.

The whole community is invited to be a part of this momentous project.

Construction is due for completion in September 2016 and there are limited seats available, so don't delay!
