Dear Members of the Loyola College Community,

This is the final new letter for the term and the last fortnight has been filled with numerous events and activities that have enriched our community.

House Masses
The House Masses have continued with Xavier House celebrating at Our Lady of the Way, Kingsbury with Fr Terry Bergin PP, Chisholm House at St Mary’s, Greensborough with Fr Stephen Rigo PP and McAuley House at St Francis of Assisi, Mill Park with Fr Anthony Girolami PP. All masses were very well attended and I thank the Heads of House, Mrs Thompson, Mr Calderone and Mr Denton for overseeing the organisation of these events with the assistance of Sr Revy Santiago SJGS.

House Eisteddfod
The annual House Eisteddfod competition was held on Tuesday night of this week and was very well attended by families and staff. It was a great night of entertainment!!! Congratulations to all the participants on a wonderful event. I thank the House Captains, staff and the students for all their hard work and effort in preparing a wonderful evening of performances.

Harmony Day Assembly
Harmony Day this year had a focus on everyone walking together with our aboriginal community, migrants and refugees. A highlight of the day was the whole school shaping the word HARMONY on the football oval and then using a drone to take the photo!!

A range of activities was organised for the day and I thank Ms Grills, Intercultural Perspectives Coordinator for overseeing the organisation of the day and all who assisted.

Overseas Study Tours
On Wednesday 28 March 2 school tours will leave for Europe. 17 students and 3 staff depart on the Italy Tour accompanied by Mrs Mascia, Ms Fitzgerald and Mr Calderone. As part of their tour, they will spend a week with our sister school IPSSAR Maffioli in Castelfranco, Veneto.

On the same day 18 students and 2 staff depart on the France Tour accompanied by Mrs McLeod and Mrs Styli. This tour is run in conjunction with Penola Catholic College with whom we share the French sister school, La Salle in Avignon, where our students will spend a week on homestay.

We wish the staff and students of both tours a safe and memorable journey and look forward to hearing of their experiences on their return.
Student achievements in Visual Arts
In recent weeks I have attended:

The Catholic Education Week Arts Exhibition where Taijan Zaffino (11 XMAC) was awarded the Serra Award for her art work.

Top Arts 2018 Exhibition at the Ian Potter Centre NGV where former Year 12 student Daniel Pergolini (L: 12-17) had one of his Year 12 pieces of work selected for display from 2200 applications. Only 136 art works were selected in total.

We congratulate both students on their achievements.

Student Dress Code
It is timely to remind students that the winter uniform requirements commence next term. There is a changeover period up until ANZAC day after which all students are to be in winter uniform. All students in day uniform need to wear their blazer to and from the College and anywhere in public when they are in their College winter uniform.

I ask for the support and cooperation of all families with regard to this matter.

Staffing matters:
We congratulate Miss Carmen Ferro on her recent wedding to Mr Frank Di Santo.

We also wish Ms Emily Grills all the best for her upcoming wedding to Daine Johnston and Mr Michael Burke on his upcoming wedding to Naomi Sheahan (L: 98-03).

Ms Fennessy resigned several weeks ago due to health reasons. I have appointed Mr Philip Ryan to fill the vacancy for the remainder of this year.

Easter Greetings
We are in Holy Week this week, the most sacred week in the calendar of the Catholic Church. As Lent draws to a close we look for hope in the Resurrection of Christ our Saviour and Redeemer. Christ came to save all because God’s love is for all human kind. As we reflect on our daily life choices the good and not so good, we take consolation in knowing that God’s love and compassion is there for each one of us. We only need to ask in prayer.

Let us take time in this Easter season to value our faith and to reflect on our own lives and invite the Risen Lord’s companionship on our life’s journey towards our eternal home.

I encourage all families to participate in the three days of Easter ceremonies in their Parishes providing time for reflection and prayer.

As the term draws to a close I thank all for their ongoing support of the College and I wish all a Happy and Holy Easter.

Mass of St Patrick Catholic Education Week 2018

Each year, around the feast of St Patrick, the patron saint of the Archdiocese of Melbourne, all diocesan Catholic schools send representatives to the Cathedral to join together in a mass celebrated by the Archbishop. Archbishop Hart.

The Mass started with a parade of school banners led by Irish pipers and those schools celebrating significant milestones. Archbishop Hart spoke to the students about their call to use their gifts and talents the way God intended. He encouraged them to not step back and to recognise that everyone had something or someway of contributing. He drew parallels between the story of St Patrick who faced many challenges including being kidnapped into slavery at the age of sixteen, deportation to France where he worked as a shepherd boy for a number of years before responding to God’s call, and his return to Ireland as a priest and minister to the people particularly in the west and south of Ireland where living conditions were hardest.

Archbishop Hart finished his homily with these words:

We young Australians often look at our footballers or cricketers, our athletes and swimmers and tennis players, we rejoice when Australia is doing well because we admire courage and bravery. Patrick was someone who was brave and courageous in God’s service and he invites us to a greater and deeper courage. Like Patrick, we want (1) to know our God as a friend and to see prayer as our conversation with him, (2) to know that God loves us and asks us to be courageous in work and in play, but to be constant and faithful to God in all that we think and say and do, (3) Patrick invites us to value ourselves because we are precious to God and by honesty, truth and directness to be worthy of what Saint Patrick gave the Irish people who then brought to Australia the love and care of God.

I do ask each of you young people to think and ask God to touch you with that love and with the ability to do something special for him. Patrick was an ordinary young fellow until he allowed God to touch him - and that changed his life. We too must know that God gives us a special invitation. For some of us it will be to be a priest to bring people to God like Saint Patrick. For others it will be to be a teacher like Saint Patrick. For all of us it is important that we wonder about how great God’s love is for us and what we can achieve if we say yes to him. Jesus Christ was the centre of all that Patrick was and did in his life.

Today we want to know that he guides us just as powerfully and lovingly. In the words of Saint Patrick, ‘Christ be with me, Christ within me, Christ behind me, Christ before me, Christ beside me, Christ to win me, Christ to comfort and restore me.” May it be so in the hearts of the wonderful young people of Melbourne Archdiocese.
FROM THE STUDENTS

Dear Loyola College community,

We have all been part of an exciting past fortnight with Activities week, Harmony day and the ACS swimming carnival all taking place. We hope all students enjoyed the student free day last Monday and each year level enjoyed their various camps and duties during activities week.

As year twelve students, we were fortunate to experience the year 12 retreat, where we had three days of relaxing in Queenscliff, Point Lonsdale or Phillip Island. Overall, it was an experience to remember!

Last week we experienced harmony day, which was a day for celebration for Australia’s cultural diversity. On the day, we listened to a guest speaker, had a dance to the DJ and could even practice some Japanese calligraphy as well as enjoy some international food. We had fun spelling out ‘harmony’ on the oval, something a bit different, with undeniably fantastic participation and cooperation.

Regarding ACS, our 1st girls’ soccer team is in the grand final, we wish them the best of luck and hope they can bring home the trophy! The athletics carnival sign-ups are happening now, if you wish to write your name in an event and have not yet done so, ask your year level house captains and they will assist you with this.

The house eisteddfod is about to take place, we would like to wish each house the best of luck in this exciting performance, however, we say Mackillop are bound to win, with Gabby Asta guiding us, we are sure to steal the show.

As term 1 comes to a close, we would recommend everyone, to take a step back and look at how well term 1 went, use the holidays as a time for reflection, in hope for a better term 2. We have some exciting events in term 2, such as house athletics on the second day back! We hope you are just as excited as we are!

Thanks and remember to ‘strive for success’.

Our MacKillop House Student of the Fortnight is Joshua Rotin of year 7 for supporting House events and being selected to attend the under 14 National Water Polo Championships in Canberra.

**Easter Egg Drive**
Thank you for supporting the Easter Egg Drive

Easter eggs were distributed by members of the St Thomas the Apostle Greensborough North Conference.

**Passion Play**
The Year 12 Faith and Drama class presented a passion play at the commencement of our final term one assembly as the Easter reflection. This play is an eagerly anticipated annual event with each Year 12 group interpreting the sacred story in their own way. The students assisted the whole College in deepening their appreciation of the true meaning of Passion Week and the Easter season. My thanks to Mrs Boyle for her wonderful work with this class and to Mrs Hedger and Mr John Tran who supported her.

**Subject Specific Parent/Student/Teacher Information Sessions**

Just a reminder that our first round of Subject Specific Interviews will take place on April 24 from 2:00 pm to 8:15 pm and April 26 from 3:45 pm – 8:00 pm. Letters will be sent out shortly explaining in more detail the evening. Please assist the Teaching staff by making your appointment while the Parent Portal is open from to April 4, 9:00 am to April 23, 9:00 am. If you know that you are unable to make the scheduled time, please contact your child’s Subject Teacher directly to make an alternate time.

Term One Interim reports will only be available for you online. Therefore, I would suggest that you either print a hard copy or save as a PDF if you would like to refer to it during your Subject Specific Interview. However, please also be aware that reports will not be available until April 20, 4:00pm.

The purpose of these Subject Specific Interviews will be to discuss the learning that has occurred in Term One and, in particular, look at the academic successes and challenges that your child may have encountered in Term One. This conversation should be led by your child and each session has been allocated 7 minutes. Once again, we welcome parent feedback following these sessions.

**ICT News - Cybersafety**

Taking measures to protect oneself against unwanted attention or against criminal activity while working, socialising, emailing, playing or banking on the Internet is known as “cybersafety”. Everything a person does via the Internet adds to that person’s ‘digital footprint’.

Schools play an obvious part in providing for their students Internet-based learning opportunities that are engaging as well as safe. But given young people spend a significant proportion of their home time surfing online, socialising or playing games on the Internet, the cyber risks they may be exposing themselves to are more likely to be higher while at home than at school. Consequently, it is important that parents/guardians understand the risks their children face while ‘living’ in the Internet.

Over the next few Ignatian Newsletter issues, I will be exploring some cybersafety issues that students and parents/guardians definitely need to be aware of. Be prepared to be surprised and even shocked with what is revealed!

Let us start with the first topic:

**What is posted on the Internet remains there forever!**

**Once posted, it’s toasted!**

Consider this true story. A teenage girl takes some photos of herself modelling and posts these photos up on her social media account (e.g Facebook, Instagram) for her friends to see. Some months later she is travelling in a bus and notices an advertising billboard with one of her modelling photos on...
it. Shocked and curious, she contacts the advertisers only to discover that the social networking site had sold her photos to them without her knowledge or consent. So she rings up the social networking site and is politely informed that when she signed up for an account and agreed to the Terms and Conditions, she in fact was agreeing to hand over to the social networking organisation the copyright and ownership of all content she posts – text, photos, videos, everything – forever! She will never get a single cent out of the social networking organisation, and she will never be able to stop them doing what they like with her photos or videos. Think of the recently exposed illegal use of millions Facebook accounts’ private details by Cambridge Analytica during the US presidential elections.

What about when applying for a job – does having a Facebook or Twitter account or signing up for online competitions matter? Absolutely! The Internet is like ‘Big Brother’, constantly spying on a person’s private life. It is now commonplace for employers to use Google and social networking sites to do background checks on job applicants before deciding whether to interview them for a job. There are also companies that are paid to ‘dig up’ as much online information about individuals as possible, in order to build an accurate profile about them. This is known as ‘Data Mining’.

On the Internet one may be surprised at the amount of personal information available about any one person – this information is not protected by privacy laws, since it has been willingly posted onto the Internet each time a person adds their profile details to a social networking site, or signs up for free downloads, ringtones or competitions, or posts a picture, blog or tweet.

Parents/guardians, please encourage your child to think twice about posting the following online: boasting, being crude or talking about socially negative behaviours like theft, drug use, homophobia or getting drunk. These character blights will form part of your child’s online curriculum vitae.

It gets scarier. Even when deactivated, a Facebook account is kept forever; officially, this is so no one else can use the same name. But once a person’s information is put out there on the Internet, it can never be taken back! It is still kept on a database and can be accessed by people with sufficient authority, even if that information does not appear to be visible.

What can parents/guardians do to protect themselves and their children from cyber-theft?

1. Ensure they remove any content that someone else may find valuable or which may be used to hurt or bully them in future.

2. What about closing the Facebook account? Closing down the account alone is not sufficient. Delete all photos before closing it down; nevertheless, all content will still be kept in archives, and can still be indexed by Google. And if someone else has already downloaded those photos, they can still repost or do what they like with the photos without asking for permission or telling anyone about it;

3. When signing up for things like social networking sites, add only the minimum information – never fill in fields that are not asterisked. Never provide a surname, or at least a real surname. Never supply a date of birth, or at least a real date of birth. Never give out a personal email address. At the very most, use a temporary email address that can easily be dumped later on. Keep your personal email address only for important correspondences, such as for family, close friends and work.

4. Never use the College email address for anything other than for school related activities.

Stay safe online. Be careful not to get burnt!

‘What are you reading?’
We are encouraging all students and staff to ask each other this question throughout the year. The importance of reading for our students’ literacy development and overall wellbeing cannot be understated, and its benefits are well documented. However, the general busyness – and digital distractions - we all live with can be a barrier to finding time to just sit and read.

Our Year 7, 8 and 9 students are fortunate to have a one period a cycle booked into the Library for this very reason. They are participating in various ‘wider reading challenges’ and get to spend one of their English classes every fortnight in our comfortable Reading Zone, away from their devices, to read and have conversations with the librarians about the books they’ve read. And of course, there are prize incentives along the way!

The challenges include:
- Year 7 – Genre reading challenge - Terms 1-3
- Year 8 – Million words challenge – Terms 1-2
- Year 9 – Choose your own challenge – Terms 1-2

See the above eNewsletter for more information about these challenges. Or, go to the Library’s LMS ‘Reading Page’ for details: https://schoolbox.loyola.vic.edu.au/homepage/18048

Parents and guardians are encouraged to take a look at the Challenge information. Each year level has a different set of ‘rules’ and challenges to meet. The Year 9 challenge, in particular, specifically includes parents/guardians - as we are asking you to recommend a book to your son/daughter.

We are challenging our students to build their reading stamina and broaden the types/genres of books from what they would normally read. We strongly believe that encouragement from home will play a positive role in helping our students to reach their challenge reading goals.

School holidays – library opening hours
Please note the modified opening hours during the Term 1 school holidays:
Monday - Friday: 8:45am – 5:00pm
Closed: Good Friday and Easter Monday

Wishing everyone a happy Easter with family and friends – and happy reading!

Harmony Day
Loyola College celebrated Harmony Day in style yet again this year with a day packed full of activities for the whole school community. The aim of Harmony Day is to celebrate Australia’s cultural diversity and our particular focus for this year was in line with the College theme – Walking with Others.
In the morning’s extended mentor session, each mentor group created a thumbprint tree branch to add to their College House tree. This is to symbolise that we are all linked together by the branches and the trunk of the tree, but that each fingerprint is unique. Each of these leaves adds to the beauty and fullness of the tree, just as each person in Australia helps to make our country the wonderfully diverse place that it is.

Students moved from extended mentor straight to an assembly where we heard from guest speaker, Ahmed Hassan. Hassan is the 21 year-old co-founder of the organisation Youth Activating Youth that assists disadvantaged multicultural Australian youth to re-engage in their communities. Hassan inspired our students to be active members of their community and to engage with other young people as he believes that the youth are the key to helping other youth. Hassan’s sentiments resonated with many of our students and worked hand-in-hand with the ideas behind many of our social justice initiatives which were presented to the students at the assembly by other staff and students.

At the conclusion of the assembly, the school community filed out onto the oval in house groups to mark out the letters for the word ‘HARMONY’. This display of teamwork and harmony was captured on a drone camera by our talented staff member, Jacob Gasparini, and shared to our social media sites for the wider community to enjoy.

In each class throughout the day, students learnt about a variety of people who have migrated to Australia and had a great impact on our nation. The students learnt about the stories of celebrities such as Anh Do, Manu Feidel and Mirka Mora.

At lunchtime the school yard was transformed into a mini-festival with a range of celebrations on offer for students to enjoy. These activities ranged from international food stalls to dancing to international tunes played by JRB Services to Japanese Calligraphy to K-Pop dancing and singing. It was such a pleasure to see the joy on our students’ faces as they come together to make the most of the day.

All feedback indicates it was a successful day where students’ growth of intercultural understanding and empathy was evident. We hope that the creations of the day, such as the house trees and the HARMONY drone footage continue to serve as a reminder of the importance of celebrating our cultural diversity and ‘Walking with Others’

have returned to school and shared their experiences with other students in their Personal Development classes.

I sincerely hope students had an enjoyable time and learnt more about their strengths and their weaknesses. Hopefully students gained some insight as to the career pathway they might follow.

The Year 10 Personal Development Program provides opportunities and techniques for students to reflect on their life experiences and identify the things that energise and motivate them. The recent Year 10 Work Experience program was a great example of this. In their Personal Development class students gave a brief presentation on their experience in the workplace. Julia Tran (10 KJJF) shares her experience.

**Work Experience at the Department of Economic Development, Jobs, Transport and Resources (DEDJTR)**

During activities week, I got the privilege to do my work experience placement at the Department of Economic Development, Jobs, Transport and Resources (DEDJTR) on Exhibition Street in the city. Within this department, they are employed by the government and do a lot of work surrounding the development of transport and politics.

For the 5 days that I was there, I had a packed schedule in which I had the experience of a lifetime. Here, I learnt so many things such as how to do basic office-based work, how the government system works and how they negotiate contracts are just a few to name.

Some highlights of my week was when I got to go on a site visit to the Flinders Street Station construction where I was taken up to the rooftop where the dome was. They also led me to where the ballroom and gymnasium previously resided before it was taken apart for construction.

I also got the chance to attend important project meetings - some with the head of Melbourne and Monash University and the CSIRO.

However, my favourite part of work experience was when I got to visit the Parliament House. I was led by a man named, Andrew, an advisor in the office who used to work for one of the ministers and still had his pass to access all areas of the Parliament House. He took me to many places which are not open to the public, one of them being underground to where there were formerly horse stables but has now been transformed to hansard offices.

![The Link Logo]

Working here gave me an idea for which career path that I want to take in the future. I was fortunate enough to have gotten to work alongside so many inspiring and passionate people. It was truly an experience that I will never forget.

Maytime Fair
The Maytime Fair is the major annual fundraiser in Victoria for the work of the Jesuit Mission and is supported by a vast array of friends and benefactors connected with schools, parishes and other communities in and beyond the state. The Fair is run by an Executive Committee of Victorian Friends of Jesuit Mission consisting of Jesuit Mission staff, Xavier College past and present parents, Xavier College current staff members and other supporters. Their main policy for the running of the Maytime Fair is that every stall and attraction donates 100% of its profit to the work of the Jesuit Mission. The Maytime fair consistently contributes over $100,000 each year for vital work in the developing world.

All of the funds raised from the Maytime Fair go directly to help people in disadvantaged countries including Cambodia, China, East Timor, India, Myanmar, Pakistan, Thailand and The Philippines and several in Africa.

Xavier College has been hosting the Maytime Fair for 65 years. Each year the College has been extremely generous in the provision of its grounds to host the event and its students and staff. This group oversees the organisation of bands and music played at the Fair and student stalls and activities and promotes involvement in the event amongst other schools in the area.

The Friends of Jesuit Mission are the champions of the event, running the stalls, gathering all the goodies on display, organizing the bands and the orchestras, preparing the food and rallying all their families and friends to attend.

The Fair will include amusements and rides for children of all ages as well as a variety of music, a huge array of food outlets and stalls offering car and wine raffles, plant stalls, a second hand book store, cakes and confectionary, stamps, coins and Vintage and lots more.

Please come to the Maytime Fair on Saturday 05 May and join in the fun to support vital work with the poor of the developing world.

If you are able to volunteer selling hot donuts at our Loyola Stall, please let me know and I will pass it on to our Co-ordinator Kim Garth.
